

1
00:00:00,300 --> 00:00:04,050
Sarah Foss: From the Alex Trebek
stage at Sony Pictures Studios,

2
00:00:04,230 --> 00:00:07,890
Music: this is Inside Jeopardy!.

3
00:00:08,370 --> 00:00:11,820
Sarah Foss: Hello and welcome back to
Inside Jeopardy! or exclusive unofficial

4
00:00:11,820 --> 00:00:15,240
podcast destination for all things
happening in the world of Jeopardy!.

5
00:00:15,540 --> 00:00:18,040
I'm Sarah Foss and I'm
joined today in the pod.

6
00:00:18,855 --> 00:00:22,634
By the fantastically , fashionable Buzzy

7
00:00:22,634 --> 00:00:23,145
Cohen.

8
00:00:23,295 --> 00:00:25,065
Buzzy Cohen: Well, thank
you for having me, Sarah.

9
00:00:25,065 --> 00:00:28,665
I'm a little disappointed that
our own bongo man, Michael

10
00:00:28,665 --> 00:00:30,465
Peterson Davies couldn't join us.

11
00:00:30,525 --> 00:00:34,065
You know, he kind of called out that
he did not hear bongos in that version,

12
00:00:34,185 --> 00:00:37,004
but of course, true Jeopardy fans

would know that I was referencing

13

00:00:37,004 --> 00:00:39,285
the big drums added to the goat.

14

00:00:39,665 --> 00:00:40,535
Sarah Foss: Ah, theme.

15

00:00:40,635 --> 00:00:41,215
Ah, okay.

16

00:00:41,220 --> 00:00:41,625
Okay.

17

00:00:41,625 --> 00:00:43,775
I don't really think of those
as bongos, but no, they.

18

00:00:44,240 --> 00:00:44,810
I'll go with that.

19

00:00:44,810 --> 00:00:48,050
As you heard me say on the pod, I'm
a little sad that I haven't been

20

00:00:48,050 --> 00:00:49,450
given an instrument, nor have I.

21

00:00:49,519 --> 00:00:50,810
What do you picture me playing?

22

00:00:51,920 --> 00:00:52,910
Buzzy Cohen: Um, you're the conductor.

23

00:00:52,930 --> 00:00:54,170
Oh, you're running the show.

24

00:00:54,170 --> 00:00:54,450
Go.

25

00:00:54,455 --> 00:00:54,620

Okay.

26

00:00:54,650 --> 00:00:55,190
All right.

27

00:00:55,339 --> 00:00:55,370
Okay.

28

00:00:55,370 --> 00:00:56,089
The Maro.

29

00:00:56,269 --> 00:00:56,839
Sarah Foss: There we go.

30

00:00:56,870 --> 00:00:57,680
The Maestro Mistro.

31

00:00:57,680 --> 00:00:58,070
Fos.

32

00:00:58,170 --> 00:00:58,570
I feel it.

33

00:00:58,570 --> 00:00:59,089
Sarah Fos.

34

00:00:59,095 --> 00:00:59,629
I feel it.

35

00:00:59,629 --> 00:01:02,269
Well, I hope you had a great
Valentine's Day last week.

36

00:01:02,360 --> 00:01:02,959
Buzzy Cohen: I did.

37

00:01:02,965 --> 00:01:09,259
Although I was surprised to log into
um, twitter.com and see some of our fans

38

00:01:09,800 --> 00:01:15,180

create some interesting and exciting
and I will say, Valentine's content.

39

00:01:15,210 --> 00:01:17,550
Sarah Foss: Yes, of course our
social and digital team did

40

00:01:17,550 --> 00:01:22,080
the more official Jeopardy,
Valentine's featuring Sam buttress.

41

00:01:22,080 --> 00:01:25,710
You know, I'd wager the maximum
amount permitted by law on you.

42

00:01:25,980 --> 00:01:28,440
I actually caught up with Sam
this week and he loved it.

43

00:01:28,440 --> 00:01:29,190
No surprise.

44

00:01:29,190 --> 00:01:32,310
He thought, you know, not only have
you made it when you get invited to

45

00:01:32,310 --> 00:01:36,000
Masters, but when you get your own
Valentine, You really have made it.

46

00:01:36,179 --> 00:01:37,740
So those were kinda
the more official ones.

47

00:01:37,740 --> 00:01:37,830
Yes.

48

00:01:37,830 --> 00:01:41,820
Kens of course said you're the
goat in my heart, Amy said, you

49

00:01:41,820 --> 00:01:45,449
make me feel like 1,382,800 bucks.

50
00:01:45,870 --> 00:01:47,850
. But then there were the off-brand ones.

51
00:01:47,880 --> 00:01:47,970
Yes.

52
00:01:47,970 --> 00:01:51,449
And thank you Satara
underscore 99 on Twitter.

53
00:01:51,929 --> 00:01:52,979
I got a Valentine's note.

54
00:01:52,979 --> 00:01:53,070
Yes.

55
00:01:53,429 --> 00:01:53,670
Buzzy Cohen: Yeah.

56
00:01:53,850 --> 00:01:54,180
Yes.

57
00:01:54,180 --> 00:01:55,590
I think I actually got two.

58
00:01:55,710 --> 00:01:55,980
Oh,

59
00:01:56,100 --> 00:01:58,440
Sarah Foss: well, but
post counting, I got one.

60
00:01:58,450 --> 00:01:58,650
Yeah.

61
00:01:58,950 --> 00:02:01,260
Um, but I, I got, I'd
be clueless without you.

62
00:02:01,260 --> 00:02:01,740

Valentine.

63

00:02:01,740 --> 00:02:01,920

Yeah.

64

00:02:02,170 --> 00:02:05,430

Buzzy Cohen: I got the, let's make it a two-day total point affair.

65

00:02:05,880 --> 00:02:08,460

Uh, there was an, I forgot what the other one was and it was like a picture that

66

00:02:08,460 --> 00:02:10,530

had been pulled off of Instagram of me.

67

00:02:10,650 --> 00:02:15,060

I, I was mentioning to our podcast producer Alexa earlier that I think

68

00:02:15,060 --> 00:02:18,990

this actually started around all stars when all the all-star captains.

69

00:02:18,995 --> 00:02:19,450

Mm-hmm.

70

00:02:20,125 --> 00:02:21,234

. Uh, Valentine's made.

71

00:02:21,234 --> 00:02:23,875

But interestingly enough, back in, what was that?

72

00:02:23,875 --> 00:02:24,804

2019?

73

00:02:24,864 --> 00:02:25,105

Yes.

74

00:02:25,135 --> 00:02:28,135

When all Stars happened, we were not

alerted that that was gonna happen.

75

00:02:28,135 --> 00:02:32,304

So I just woke up on Valentine's Day
and I realized, Hey, maybe I should

76

00:02:32,304 --> 00:02:36,204

take a closer look at those name and
likeness rights I granted to jeopardy.

77

00:02:36,445 --> 00:02:36,805

Huh?

78

00:02:36,924 --> 00:02:37,225

Next

79

00:02:37,225 --> 00:02:37,584

Sarah Foss: time.

80

00:02:37,584 --> 00:02:38,635

Hey, you know what?

81

00:02:38,635 --> 00:02:41,454

It's, it's all, it's all
for the greater good.

82

00:02:41,625 --> 00:02:43,524

All good fun, because we
just wanna promote people.

83

00:02:43,994 --> 00:02:46,095

, whether it's on
Valentine's Day or any day.

84

00:02:46,244 --> 00:02:49,994

Buzzy Cohen: And before we move on,
uh, today is actually President's Day.

85

00:02:49,994 --> 00:02:51,105

So I have a question for you.

86

00:02:51,105 --> 00:02:54,165

I know you love it when I do
not prep you with the question,

87

00:02:54,165 --> 00:02:55,035
Sarah, I love it so much.

88

00:02:55,095 --> 00:02:56,355
Who is your favorite president?

89

00:02:56,954 --> 00:03:00,075
Sarah Foss: Well, did you know that both
of my children are named after presidents?

90

00:03:00,075 --> 00:03:00,885
I did know that actually.

91

00:03:00,890 --> 00:03:01,274
Yeah.

92

00:03:01,304 --> 00:03:03,734
So people always ask me,
did I name my children?

93

00:03:03,734 --> 00:03:06,225
I have a daughter named Taylor
after Zachary Taylor, and a daughter

94

00:03:06,225 --> 00:03:07,755
named Reagan, Ronald Reagan.

95

00:03:07,755 --> 00:03:11,296
People always wanna know, like, was it
driven by them being my favorites and.

96

00:03:12,300 --> 00:03:13,650
I just really like the names.

97

00:03:14,250 --> 00:03:16,109
Buzzy Cohen: So you've
dodged the question though.

98

00:03:16,115 --> 00:03:16,380

Mm-hmm.

99

00:03:16,460 --> 00:03:17,180
, who is your favorite?

100

00:03:18,015 --> 00:03:18,855
I gotta go with Lincoln.

101

00:03:19,005 --> 00:03:19,995
You're going with Lincoln.

102

00:03:20,000 --> 00:03:20,495
I love Lincoln.

103

00:03:20,495 --> 00:03:20,935
Sarah Foss: Okay.

104

00:03:20,940 --> 00:03:21,975
Yeah, it's a classic honest babe.

105

00:03:22,125 --> 00:03:22,995
Yeah, honest babe.

106

00:03:23,055 --> 00:03:23,295
Yep.

107

00:03:23,475 --> 00:03:23,715
How about

108

00:03:23,715 --> 00:03:23,924
Buzzy Cohen: you?

109

00:03:24,495 --> 00:03:26,234
Uh, that is a really personal question.

110

00:03:26,234 --> 00:03:28,725
I thank you to . Respect my privacy.

111

00:03:29,535 --> 00:03:31,755
Sarah Foss: I actually
almost named Reagan Lincoln.

112
00:03:31,815 --> 00:03:32,234
Really?

113
00:03:32,234 --> 00:03:32,685
Yes.

114
00:03:32,685 --> 00:03:34,245
In the hospital we still had no name.

115
00:03:34,245 --> 00:03:35,655
Ah, there was an app.

116
00:03:35,685 --> 00:03:37,905
By the time I had my second
child, it was like Tinder.

117
00:03:37,905 --> 00:03:40,995
You would like, you and your husband
or, or in your case, your wife,

118
00:03:41,234 --> 00:03:44,415
both get on it and you swipe left or
right, depending on if you like names.

119
00:03:44,415 --> 00:03:47,580
And then when there are matches,
And Lincoln was, that's that.

120
00:03:47,580 --> 00:03:48,220
Such a good way to do it.

121
00:03:48,630 --> 00:03:51,090
And uh, also Reagan was,
so there you have it.

122
00:03:51,540 --> 00:03:54,500
My presidential could have
been named after a card too.

123
00:03:54,505 --> 00:03:55,460
Um, birth story.

124

00:03:55,460 --> 00:03:55,780

Yeah.

125

00:03:55,780 --> 00:03:56,180

Amazing.

126

00:03:56,200 --> 00:04:00,300

Now another thing that's really been catching on on the worldwide web,

127

00:04:00,300 --> 00:04:03,510

if you will, is our announcement last week on the pod, Michael

128

00:04:03,510 --> 00:04:05,780

Davies talked with Ike Baron Holtz.

129

00:04:05,780 --> 00:04:08,760

He accepted Michael's invitation to compete in the

130

00:04:08,760 --> 00:04:11,140

2023 Tournament of Champions.

131

00:04:11,770 --> 00:04:12,540

Lots of people.

132

00:04:12,540 --> 00:04:12,940

Yeah.

133

00:04:12,940 --> 00:04:14,580

Lots of feelings about this of.

134

00:04:14,815 --> 00:04:19,165

You know that's, you got everyone from Luigi de Guzman who will be in that T O C.

135

00:04:19,175 --> 00:04:19,495

Yeah.

136

00:04:19,524 --> 00:04:22,615
He's one of four in the syndicated
season who was already qualified.

137
00:04:22,615 --> 00:04:23,785
He says, heck yeah.

138
00:04:23,995 --> 00:04:25,165
Welcome to the Jeopardy.

139
00:04:25,495 --> 00:04:26,905
T o c, Ike Baron Holtz.

140
00:04:27,415 --> 00:04:29,515
But then we had a lot of people Yeah.

141
00:04:29,515 --> 00:04:33,625
Who wanted to, to bring up the fact
they're thinking, you know, we're putting

142
00:04:33,655 --> 00:04:38,245
Ike in this T O c, he's gonna take away
a spot from an earning regular player.

143
00:04:38,990 --> 00:04:39,680
Hey everyone.

144
00:04:39,710 --> 00:04:43,040
I just wanna remind you, the
T O C is an annual event now.

145
00:04:43,040 --> 00:04:43,130
Yep.

146
00:04:43,130 --> 00:04:46,340
It used to be that we would just
kind of play until we had enough

147
00:04:46,340 --> 00:04:50,630
people to bring us to a field of 15,
and then we would host the T O c.

148

00:04:50,990 --> 00:04:52,400
That's not happening anymore.

149
00:04:52,400 --> 00:04:53,570
It is an annual event.

150
00:04:53,840 --> 00:04:57,470
Keep in mind, we had a field
of 21 contestants last year.

151
00:04:57,830 --> 00:04:58,940
We're up to with.

152
00:04:59,655 --> 00:05:00,344
Five.

153
00:05:00,435 --> 00:05:00,735
Yeah.

154
00:05:00,825 --> 00:05:04,755
So I want people to know , the,
the people who deserve and earn

155
00:05:04,755 --> 00:05:06,284
a spot in this year's t o c.

156
00:05:06,555 --> 00:05:07,275
They will get it.

157
00:05:07,275 --> 00:05:07,335
Yeah.

158
00:05:07,545 --> 00:05:10,395
And none of those spots
will be taken away by Ike

159
00:05:10,395 --> 00:05:11,055
Buzzy Cohen: Barren Holtz.

160
00:05:11,115 --> 00:05:15,405
I mean, as you're saying, it used to
be every one and a half to two years.

161
00:05:15,405 --> 00:05:15,495
Yes.

162
00:05:15,555 --> 00:05:16,094
Ish.

163
00:05:16,305 --> 00:05:17,445
And there would be 15 people.

164
00:05:17,450 --> 00:05:17,645
Now it's.

165
00:05:18,000 --> 00:05:22,530
Every year you're getting
21 slots and I, or, or

166
00:05:22,530 --> 00:05:23,219
Sarah Foss: not 21.

167
00:05:23,280 --> 00:05:23,790
Or not 20.

168
00:05:23,790 --> 00:05:26,940
Who makes, I mean, that's the
thing who no producer's discretion.

169
00:05:26,945 --> 00:05:29,900
We want the best contestants be playing

170
00:05:29,900 --> 00:05:35,310
Buzzy Cohen: in the t c there could be
mathematically, we could have a field of,

171
00:05:35,340 --> 00:05:38,010
hold on 81, we could have a field of 81.

172
00:05:38,130 --> 00:05:38,400
Yep.

173
00:05:38,789 --> 00:05:43,289

Sarah Foss: People are also, you know, quick to say, Mike May not fare

174

00:05:43,289 --> 00:05:44,940
so well in the t c Well guess what?

175

00:05:44,940 --> 00:05:46,420
It's Ike himself who is, is.

176

00:05:47,040 --> 00:05:50,460
I may get clobbered, but how about the fact that he wants to get

177

00:05:50,460 --> 00:05:51,510
in there and compete, you know?

178

00:05:51,510 --> 00:05:51,570
Yeah.

179

00:05:51,570 --> 00:05:52,920
He's part of Learn and League.

180

00:05:52,980 --> 00:05:54,630
He auditioned for the regular show.

181

00:05:54,690 --> 00:05:58,920
He wants his shot, but he's in no way, you know, coming in cocky, like,

182

00:05:58,920 --> 00:06:00,360
Hey, I'm gonna take this whole thing.

183

00:06:00,450 --> 00:06:01,080
Buzzy Cohen: Absolutely.

184

00:06:01,080 --> 00:06:04,080
And I think, you know, it's all, it's a game.

185

00:06:04,465 --> 00:06:05,065
It's a game.

186
00:06:05,065 --> 00:06:06,865
And I think Ike really enjoys the game.

187
00:06:06,865 --> 00:06:10,015
He wants to play, he wants to have
a fun, he wants to do a good job.

188
00:06:10,075 --> 00:06:12,594
And also there are people in the
past who have said, oh, the college

189
00:06:12,865 --> 00:06:15,715
tournament people shouldn't college
to, we have a, a lot of college

190
00:06:15,715 --> 00:06:18,865
tournament people who have made it to
the finals, uh, teachers tournament.

191
00:06:18,865 --> 00:06:20,905
People say it's not at the
same level as regular season.

192
00:06:21,025 --> 00:06:25,435
Colby Burnett one, uh, I almost
didn't make it into the finals

193
00:06:25,435 --> 00:06:28,075
against Jason Stir Lockey, who
was a teacher's tournament winner.

194
00:06:28,195 --> 00:06:30,195
So, This is a great experiment.

195
00:06:30,195 --> 00:06:33,344
We're gonna see how good
this celebrity champion

196
00:06:33,344 --> 00:06:33,855
Sarah Foss: really is.

197
00:06:33,975 --> 00:06:34,335

Yeah.

198

00:06:34,395 --> 00:06:38,475

And I just think anyone who loves
this show, the way that Ike does,

199

00:06:38,895 --> 00:06:41,795

will take it as seriously as possible.

200

00:06:41,800 --> 00:06:46,395

He's not looking at this as some
celebrity, you know, show event.

201

00:06:46,400 --> 00:06:48,045

Like he wants to compete.

202

00:06:48,045 --> 00:06:48,055

Yeah.

203

00:06:48,135 --> 00:06:49,425

Because he loves Jeopardy.

204

00:06:49,695 --> 00:06:51,525

Not some version of Jeopardy.

205

00:06:51,585 --> 00:06:53,865

He loves the Jeopardy he's been
watching since he was a kid.

206

00:06:53,865 --> 00:06:54,015

Yeah.

207

00:06:54,015 --> 00:06:55,515

Buzzy Cohen: So I would love to coach.

208

00:06:55,520 --> 00:06:56,145

I'd love to coach.

209

00:06:56,660 --> 00:06:57,080

I'd love.

210

00:06:57,080 --> 00:06:57,540
I I see.

211
00:06:57,540 --> 00:06:57,780
All right.

212
00:06:57,780 --> 00:06:57,901
I know

213
00:06:57,906 --> 00:06:59,120
Sarah Foss: he already received help from

214
00:06:59,120 --> 00:06:59,810
Buzzy Cohen: Andy Wood.

215
00:06:59,840 --> 00:07:00,110
Yep.

216
00:07:00,110 --> 00:07:00,710
He sure did.

217
00:07:00,710 --> 00:07:01,880
And, and some other people.

218
00:07:01,970 --> 00:07:06,080
I'm just saying like, I see him so
much, so much potential, you know?

219
00:07:06,170 --> 00:07:06,230
Yeah.

220
00:07:06,235 --> 00:07:07,340
As somebody who really loves his game.

221
00:07:07,340 --> 00:07:10,580
So much potential that could,
man, we could, I just want to

222
00:07:10,580 --> 00:07:11,660
take him to the next level.

223

00:07:11,660 --> 00:07:13,370
I'd love, I'd love to coach him to win.

224
00:07:13,549 --> 00:07:13,909
All right.

225
00:07:13,909 --> 00:07:15,140
Sarah Foss: You heard it here first.

226
00:07:15,140 --> 00:07:15,979
Ike Baren Holtz.

227
00:07:15,979 --> 00:07:17,150
Buzzy Cohen.

228
00:07:17,870 --> 00:07:18,859
You are his Rocky.

229
00:07:18,979 --> 00:07:19,679
Yes, exactly.

230
00:07:19,679 --> 00:07:21,950
And he just wants to take you
to the next, to the next level.

231
00:07:21,950 --> 00:07:22,700
I'll be here, Mickey.

232
00:07:22,940 --> 00:07:26,239
All right, well, just a quick
reminder again, tonight is the

233
00:07:26,239 --> 00:07:29,239
kickoff of our high school reunion
tournament, so that is gonna run.

234
00:07:29,640 --> 00:07:32,760
For the next three weeks, we've
done something really special.

235
00:07:32,760 --> 00:07:36,900
We've put up all of their original

episodes cuz as you remember, the

236

00:07:36,900 --> 00:07:39,180
contestants that are competing in
the high school reunion tournament

237

00:07:39,240 --> 00:07:41,400
initially competed in season 35.

238

00:07:41,760 --> 00:07:44,099
We had two teen tournaments
that year because we had this

239

00:07:44,099 --> 00:07:46,860
incredible field of students.

240

00:07:47,010 --> 00:07:50,610
So you can go back on our YouTube
channel, you can watch all of their

241

00:07:51,000 --> 00:07:55,680
original episodes, see how they perform
then, and tune in today to start seeing

242

00:07:55,830 --> 00:07:57,870
how they're going to perform now.

243

00:07:58,830 --> 00:08:02,700
So fun to take a look at how much they've
evolved in just a few short years.

244

00:08:02,910 --> 00:08:06,660
And Michael Davies was so impressed
because again, he's always talking

245

00:08:06,660 --> 00:08:10,380
about our player development, our
young champions, our, you know, you

246

00:08:10,380 --> 00:08:13,620
look at Mateo Roach and how good
they were in their initial run, and

247

00:08:13,620 --> 00:08:17,760
now how much better will they be as
they get older, as they learn more?

248

00:08:17,760 --> 00:08:20,640
Well, these kids, kids, I call 'em kids.

249

00:08:20,640 --> 00:08:20,700
Yeah.

250

00:08:20,700 --> 00:08:21,240
Young people.

251

00:08:21,480 --> 00:08:23,400
These students or, yes.

252

00:08:23,460 --> 00:08:23,940
Recent.

253

00:08:24,535 --> 00:08:25,555
Are just a really,

254

00:08:25,555 --> 00:08:28,135
Buzzy Cohen: these adults,
recent adults, is that a word?

255

00:08:28,945 --> 00:08:29,425
Let's go with it.

256

00:08:29,425 --> 00:08:29,455
Are

257

00:08:29,695 --> 00:08:30,055
Sarah Foss: they okay?

258

00:08:30,415 --> 00:08:33,335
These recent adults , it feels wrong.

259

00:08:33,335 --> 00:08:33,835
That feels wrong.

260
00:08:35,005 --> 00:08:38,995
are a great reflection of how much
you can learn in just a few short

261
00:08:38,995 --> 00:08:40,735
years, and I think all of them.

262
00:08:40,919 --> 00:08:42,240
Really represented that so well.

263
00:08:42,240 --> 00:08:43,559
So I can't wait to get into that.

264
00:08:43,620 --> 00:08:46,110
But right now we've gotta
get into the recaps.

265
00:08:46,110 --> 00:08:47,640
So let's cue the

266
00:08:47,640 --> 00:08:48,560
Music: beep boos.

267
00:08:53,579 --> 00:08:53,939
Sarah Foss: All right.

268
00:08:53,939 --> 00:08:58,650
On Monday, Mira Hayward returned
to compete against Jeff Payne

269
00:08:58,979 --> 00:09:00,719
and Kendra Wester house.

270
00:09:00,719 --> 00:09:02,099
This was a close jeopardy round.

271
00:09:02,099 --> 00:09:04,829
All three players ended
within \$800 of each other.

272
00:09:05,075 --> 00:09:07,235

Kendra going in with just that small lead.

273

00:09:07,505 --> 00:09:09,935

I have to say one of my favorite moments from the jeopardy round

274

00:09:09,935 --> 00:09:12,125

was TV catchphrases for a thousand.

275

00:09:12,485 --> 00:09:17,165

It was a clue about Mork, this double talk orkins sign off.

276

00:09:17,565 --> 00:09:18,255

What is Nano?

277

00:09:18,255 --> 00:09:21,825

Nano and then all of a sudden we go to break and Ken does his best.

278

00:09:21,825 --> 00:09:22,155

Nano.

279

00:09:22,155 --> 00:09:22,605

Nano.

280

00:09:22,605 --> 00:09:24,225

He grabbed his ears and everything.

281

00:09:24,965 --> 00:09:26,265

Buzzy Cohen: Incredibly impressive I have to say.

282

00:09:26,265 --> 00:09:31,695

I was excited to see Mira was hoping Mira might go on a little bit of a longer run.

283

00:09:31,695 --> 00:09:34,305

Yeah, it was just like, you know, there are these people that you just

284

00:09:34,305 --> 00:09:36,005

can tell they're having a good time.

285

00:09:36,735 --> 00:09:37,875

Just so genuine.

286

00:09:37,905 --> 00:09:40,935

I also loved when she had spoken
in her contestant interview about

287

00:09:40,935 --> 00:09:44,175

appearing on the Antiques Road
Show as an even younger person.

288

00:09:44,719 --> 00:09:45,860

, um, and the

289

00:09:45,860 --> 00:09:48,290

Sarah Foss: antiques, was
she a recent adult back then?

290

00:09:48,290 --> 00:09:52,370

Buzzy Cohen: No, she was a child , but
the Antiques Road Show posted the video.

291

00:09:52,370 --> 00:09:53,360

They're like, we remember you.

292

00:09:53,360 --> 00:09:54,410

And they posted that video of her.

293

00:09:54,410 --> 00:09:55,670

It was very, very sweet.

294

00:09:55,699 --> 00:09:55,939

Yes.

295

00:09:55,939 --> 00:09:58,939

Sarah Foss: Even in her interview,
you know, in Monday's game when she

296

00:09:58,939 --> 00:10:00,560

thanked her boss at the podcast.

297

00:10:00,850 --> 00:10:01,660
that she writes for it.

298

00:10:01,660 --> 00:10:04,600
Noble Blood saying, thank you for
giving me the opportunity to write a

299

00:10:04,600 --> 00:10:06,820
random episode that worked for Jeopardy.

300

00:10:07,180 --> 00:10:09,370
I love when things happen
just out of the blue.

301

00:10:09,370 --> 00:10:11,410
Yeah, obviously couldn't
have expected that.

302

00:10:11,410 --> 00:10:12,670
She would've known about that.

303

00:10:13,120 --> 00:10:16,360
Uh, in this game though, double
jeopardy, another tight round seven,

304

00:10:16,360 --> 00:10:19,060
eight, and nine correct responses
for all three of our players.

305

00:10:19,300 --> 00:10:22,450
Everyone with a five digit score
at the end of double jeopardy.

306

00:10:22,450 --> 00:10:25,330
That's always a sign of a great
game and a really good competition.

307

00:10:25,600 --> 00:10:28,000
But it was Kendra who had
that lead going into final.

308

00:10:28,340 --> 00:10:30,080
with the help of a late daily double.

309
00:10:30,530 --> 00:10:30,770
Buzzy Cohen: Yeah.

310
00:10:30,770 --> 00:10:33,950
Kendra converting on both those
daily doubles in the double jeopardy

311
00:10:33,950 --> 00:10:39,740
round to have a, just a small lead
over Mira and Jeff, but she was able

312
00:10:39,745 --> 00:10:41,660
to convert on final jeopardy and.

313
00:10:42,240 --> 00:10:43,770
The rest, as they say is history.

314
00:10:43,770 --> 00:10:47,730
So Kendra is now our champion
going into Tuesday's.

315
00:10:47,730 --> 00:10:49,620
Game against Lauren Bell and Blaine

316
00:10:49,620 --> 00:10:50,370
Sarah Foss: Smith.

317
00:10:50,375 --> 00:10:54,690
Kendra got off to a slow start, but she
found a daily double strung together

318
00:10:54,690 --> 00:10:59,520
enough correct responses to take that
small lead heading into double jeopardy.

319
00:10:59,925 --> 00:11:00,525
Double jeopardy.

320
00:11:00,525 --> 00:11:01,125

More of the same.

321

00:11:01,125 --> 00:11:03,435

She found both daily
doubles late in the round.

322

00:11:03,465 --> 00:11:07,555

Now she missed the first one, but
then she earned back \$2,000 on the

323

00:11:07,560 --> 00:11:10,155

second one, Blaine in second place.

324

00:11:10,160 --> 00:11:12,285

He battled his way through the round.

325

00:11:12,285 --> 00:11:14,565

Narrowly avoiding the runaway.

326

00:11:14,775 --> 00:11:16,545

Yeah, Kendra gets the last clue.

327

00:11:16,695 --> 00:11:19,365

She's got exactly double blaine's score.

328

00:11:19,365 --> 00:11:22,125

We're thinking final jeopardy
is going to be interesting.

329

00:11:22,484 --> 00:11:23,084

But it's not,

330

00:11:23,145 --> 00:11:24,104

Buzzy Cohen: it's not interesting.

331

00:11:24,255 --> 00:11:24,525

Yeah.

332

00:11:24,525 --> 00:11:27,675

There, there are all these
mathematical models about, you know,

333

00:11:27,854 --> 00:11:31,694
when second place has exactly half
or two thirds and all that stuff.

334

00:11:31,694 --> 00:11:34,905
So there's a lot of interesting
game theory stuff to be had here.

335

00:11:35,175 --> 00:11:40,305
Uh, Kendra making an interesting
call here with a \$0 wager.

336

00:11:40,310 --> 00:11:40,625
Sarah Foss: Yeah.

337

00:11:40,785 --> 00:11:44,114
She said that she thought it'd
be fun to go into Sudden Death.

338

00:11:45,015 --> 00:11:45,525
Wow.

339

00:11:45,584 --> 00:11:45,734
Yeah.

340

00:11:46,844 --> 00:11:47,834
, you know, who didn't think it would be?

341

00:11:48,615 --> 00:11:49,005
Blaine.

342

00:11:49,155 --> 00:11:50,895
Buzzy Cohen: Blaine did
not think it would be fun.

343

00:11:51,015 --> 00:11:51,314
Blaine.

344

00:11:51,314 --> 00:11:52,155
He just didn't wanna win.

345

00:11:52,245 --> 00:11:52,485
Yeah.

346
00:11:52,485 --> 00:11:54,194
You know, Blaine's in a tough position.

347
00:11:54,675 --> 00:11:55,545
You bet it all.

348
00:11:55,545 --> 00:12:00,194
And you either go into a sudden death or
you lose by a dollar, or you go down to

349
00:12:00,194 --> 00:12:03,074
zero and you're finishing in third place.

350
00:12:03,344 --> 00:12:03,584
Sarah Foss: Right.

351
00:12:03,645 --> 00:12:06,675
So at this point at least
he goes home with \$2,000.

352
00:12:06,765 --> 00:12:06,885
Yeah.

353
00:12:06,885 --> 00:12:07,365
Alright.

354
00:12:07,605 --> 00:12:09,314
Now we do have to point out, Kendra wrote.

355
00:12:10,035 --> 00:12:14,625
Hallie's comment with just one l Ken
commented on it, but remember, if

356
00:12:14,625 --> 00:12:18,285
it doesn't change the pronunciation
and half the people call it Haley's

357
00:12:18,285 --> 00:12:20,865
comment anyway, uh, we still accept it.

358

00:12:20,865 --> 00:12:22,275

So that's the reasoning behind that.

359

00:12:22,545 --> 00:12:27,045

Also, wanna point out in double jeopardy,
there was a clue the ghost of Tom Jo

360

00:12:27,045 --> 00:12:32,295

for 1200, looking at a Hudson Super
six named for its six of these feel

361

00:12:32,295 --> 00:12:34,505

the presence of the Jos who convert.

362

00:12:35,010 --> 00:12:38,250

One into a truck and piled in.

363

00:12:38,490 --> 00:12:41,910

We were going for a six cylinder engine.

364

00:12:42,420 --> 00:12:45,150

Um, Lauren did respond
with what are pistons.

365

00:12:45,180 --> 00:12:46,620

We did stop down for this.

366

00:12:46,625 --> 00:12:49,920

We did discuss it, but it
wasn't named for the pistons.

367

00:12:49,949 --> 00:12:52,530

It was named for the six cylinder.

368

00:12:52,535 --> 00:12:55,500

So just want you to know,
we thought about it too.

369

00:12:55,530 --> 00:12:56,650

We did the research.

370

00:12:56,655 --> 00:12:57,510

We stopped down.

371

00:12:57,854 --> 00:13:00,944

And we were confident that we came up with the correct response on that one.

372

00:13:01,425 --> 00:13:04,964

Alright, moving on to Wednesday with Kendra going for her third win this time

373

00:13:04,964 --> 00:13:07,724

facing Stephen Webb and Jason Carpenter.

374

00:13:07,905 --> 00:13:11,865

Buzzy Cohen: Stephen really, you know, took a while to get going,

375

00:13:11,865 --> 00:13:14,985

although did get that daily double in the jeopardy round.

376

00:13:15,194 --> 00:13:16,395

Really made the move.

377

00:13:16,810 --> 00:13:22,660

With that second daily double in double jeopardy, a \$7,000 daily double

378

00:13:22,660 --> 00:13:28,630

to go into a six, basically \$6,000 lead and getting final, correct.

379

00:13:28,840 --> 00:13:32,050

Uh, a very well played game by Steven

380

00:13:32,350 --> 00:13:34,780

Sarah Foss: and another game with great scores from all three of our

381

00:13:34,780 --> 00:13:36,340

players heading into double jeopardy.

382
00:13:36,340 --> 00:13:40,210
So this was, this was tough
competition for whoever came out ahead.

383
00:13:40,630 --> 00:13:42,820
You know, people on Reddit
seemed to love Steven.

384
00:13:42,825 --> 00:13:43,240
They called.

385
00:13:43,975 --> 00:13:45,655
Relatable, likable.

386
00:13:46,015 --> 00:13:47,395
He himself responded on Reddit.

387
00:13:47,395 --> 00:13:47,785
Thanks.

388
00:13:47,785 --> 00:13:50,785
I was basically terrified the whole
time, and then Kendra followed

389
00:13:50,785 --> 00:13:52,195
up with, I can vouch for this.

390
00:13:52,405 --> 00:13:55,705
Stephen was shaking, but still
killing it on the buzzer.

391
00:13:55,945 --> 00:13:58,285
Buzzy Cohen: Yeah, I think that
is, even as a contestant, that's

392
00:13:58,285 --> 00:13:59,785
a pretty relatable experience.

393
00:13:59,785 --> 00:14:02,515
I likened my first time
being on the show as to.

394

00:14:02,925 --> 00:14:06,465

Uh, trying to answer questions while being on Splash Mountain or like a

395

00:14:06,465 --> 00:14:07,515

rollercoaster or something like that.

396

00:14:07,515 --> 00:14:07,815

Sarah Foss: Wow.

397

00:14:07,845 --> 00:14:08,085

Yeah.

398

00:14:08,085 --> 00:14:11,295

Which I know you love roller coasters and Splash Mountain, but I don't

399

00:14:11,295 --> 00:14:12,345

know if I'd wanna play Jeopardy

400

00:14:12,350 --> 00:14:13,385

Buzzy Cohen: Well while doing that.

401

00:14:13,385 --> 00:14:13,845

So, exactly.

402

00:14:13,850 --> 00:14:19,155

There is a certain tight grip nest to it, but Stephen comes out victorious and

403

00:14:19,155 --> 00:14:24,105

is our champion going into Thursday's game where he faces Allie Miller.

404

00:14:24,400 --> 00:14:25,220

And Brad

405

00:14:25,220 --> 00:14:25,860

Sarah Foss: Winestock.

406

00:14:25,860 --> 00:14:27,260
Oh, and Brad Winestock.

407
00:14:27,680 --> 00:14:29,750
Guess whose book he used to prepare?

408
00:14:29,930 --> 00:14:35,060
Buzzy Cohen: He, yeah, he re, he posted
on Instagram that he used my book to

409
00:14:35,060 --> 00:14:38,600
prepare and I thought that was very
sweet and I actually sent him a dm.

410
00:14:39,165 --> 00:14:42,255
on Friday just saying what, you
know, a great game he played in that.

411
00:14:42,255 --> 00:14:43,125
I hope the book helped.

412
00:14:43,125 --> 00:14:46,875
And he said it really did help him get
his head and his heart in the right place

413
00:14:46,875 --> 00:14:50,595
because he was, you know, he was like, it
wasn't, I wasn't having fun preparing and

414
00:14:50,595 --> 00:14:52,095
I was putting a lot of pressure on myself.

415
00:14:52,095 --> 00:14:54,735
And I think, you know, he said it
really helped with his mindset.

416
00:14:54,915 --> 00:14:57,015
You know, I just wanna say,
even though he did not win, he

417
00:14:57,020 --> 00:14:58,605
really played a great game out

418

00:14:58,605 --> 00:14:58,905

Sarah Foss: there.

419

00:14:58,995 --> 00:15:01,995

Well, when I think of you buzzy, I also think of someone whose head and

420

00:15:01,995 --> 00:15:04,615

heart is always in the game of life.

421

00:15:05,075 --> 00:15:06,125

That's my valentine for you.

422

00:15:06,285 --> 00:15:06,635

Oh.

423

00:15:06,665 --> 00:15:09,545

Um, in the jeopardy round, Stephen was dominating.

424

00:15:09,545 --> 00:15:13,475

He had a perfect 13 for 13 correct responses and early true daily

425

00:15:13,475 --> 00:15:15,395

double, he comes into double jeopardy.

426

00:15:15,400 --> 00:15:17,285

Another perfect round nine for nine.

427

00:15:17,615 --> 00:15:22,055

Brad split the two daily doubles and was just out of reach, unfortunately.

428

00:15:22,055 --> 00:15:22,056

Mm-hmm.

429

00:15:22,615 --> 00:15:24,385

. Despite all that knowledge,

430

00:15:24,475 --> 00:15:27,595

Buzzy Cohen: it's hard to be up against
a competitor like Steven who finishes

431

00:15:27,595 --> 00:15:29,695
the jeopardy round with 10,200.

432

00:15:29,695 --> 00:15:32,965
I think I, I think the jeopardy round
a lot of people finish double jeopardy,

433

00:15:33,205 --> 00:15:35,605
uh, in first place with 10,200, right?

434

00:15:35,665 --> 00:15:39,655
And then more than doubles that
again in double jeopardy, finishing

435

00:15:39,655 --> 00:15:41,455
with a runaway without hitting.

436

00:15:42,050 --> 00:15:44,750
Either of the daily doubles
in the double jeopardy round.

437

00:15:44,930 --> 00:15:46,040
This is a strong player.

438

00:15:46,190 --> 00:15:47,240
This is one to watch, I'd say

439

00:15:47,360 --> 00:15:47,930
Sarah Foss: one to watch.

440

00:15:47,930 --> 00:15:52,220
We head into Friday's game, Stephen
going for his third win against Laura.

441

00:15:52,220 --> 00:15:53,780
Don again, and Will Travis?

442

00:15:53,785 --> 00:15:55,640
Yes, I know you're thinking Don again.

443

00:15:55,670 --> 00:15:56,180

Don again.

444

00:15:56,180 --> 00:15:57,020

I've heard that name.

445

00:15:57,500 --> 00:16:00,620

Not only is Laura, Don
again, the mother of Kristen.

446

00:16:00,620 --> 00:16:02,390

Don again, who competed in the J N C.

447

00:16:03,089 --> 00:16:06,810

But she's also the mother of Kira
Don, again, who competed in the

448

00:16:06,814 --> 00:16:11,760

syndicated show and was a one day
champion with a total of \$27,601.

449

00:16:12,329 --> 00:16:14,610

This is some good genetics right

450

00:16:14,610 --> 00:16:14,849

Buzzy Cohen: here.

451

00:16:14,880 --> 00:16:16,650

This is a real family affair.

452

00:16:16,890 --> 00:16:22,469

And looking at her score, Laura, a
little bit of a slow jeopardy realm, but.

453

00:16:22,765 --> 00:16:23,605

The problem,

454

00:16:23,605 --> 00:16:25,795

Sarah Foss: but close round,
even with a champion like Steven

455

00:16:25,885 --> 00:16:28,705

Buzzy Cohen: and I would say the
Steven's the problem here, if

456

00:16:28,705 --> 00:16:32,155

you're lawyer or will, I hate to
say it, but look at the problem.

457

00:16:32,160 --> 00:16:32,965

Let's look at the problem.

458

00:16:33,085 --> 00:16:33,745

Steven.

459

00:16:33,895 --> 00:16:37,855

Also getting that first daily
double and converting hugely on it.

460

00:16:38,155 --> 00:16:40,135

Once again, another runaway.

461

00:16:40,194 --> 00:16:40,405

Yeah.

462

00:16:40,410 --> 00:16:41,845

Sarah Foss: He heads into double jeopardy.

463

00:16:41,850 --> 00:16:44,485

He ends up with science for \$1,200.

464

00:16:44,545 --> 00:16:45,295

It's a daily.

465

00:16:46,380 --> 00:16:51,240

. Ken says, as a scientist, will you
wager big here, ? Yes, he will.

466

00:16:51,240 --> 00:16:52,080

He bets it all.

467

00:16:52,080 --> 00:16:52,720

He is correct.

468

00:16:53,190 --> 00:16:58,260

Just a reminder, folks, all of our games are prepared completely independent of

469

00:16:58,260 --> 00:17:00,360

any of the contestants who are competing.

470

00:17:00,960 --> 00:17:02,280

Luck of the draw there.

471

00:17:02,280 --> 00:17:05,819

Not that Steven needed the luck in this game, but he does, as you say,

472

00:17:06,180 --> 00:17:09,540

get a runaway Will was actually the only one who was correct in

473

00:17:09,540 --> 00:17:11,520

Buzzy Cohen: final, and if Will had had different luck

474

00:17:11,520 --> 00:17:12,829

on that second daily double.

475

00:17:13,300 --> 00:17:17,139

We would be looking at a 19,400 and getting final, correct.

476

00:17:17,139 --> 00:17:21,069

We'd have a new champion, but Steven finishes the week as a three day

477

00:17:21,069 --> 00:17:25,419

champion and gets to, uh, take a little break as we go into our high school

478

00:17:25,425 --> 00:17:25,960

Sarah Foss: reunion.

479

00:17:26,050 --> 00:17:27,280
I think it's great for Steven.

480
00:17:27,280 --> 00:17:31,389
You know, he gets to be a reigning
jeopardy champion for a few weeks.

481
00:17:31,810 --> 00:17:35,409
That doesn't usually happen unless there
is a summer hiatus or that happened to.

482
00:17:36,104 --> 00:17:36,885
It did happen to you.

483
00:17:36,889 --> 00:17:37,574
It did happen to me.

484
00:17:37,665 --> 00:17:37,784
Yeah.

485
00:17:37,784 --> 00:17:37,785
Yeah.

486
00:17:37,791 --> 00:17:40,094
We just got to keep your run going.

487
00:17:40,125 --> 00:17:41,564
Yeah, we got to wait for

488
00:17:41,564 --> 00:17:42,225
Buzzy Cohen: it to continue.

489
00:17:42,284 --> 00:17:45,945
I went to Las Vegas in the middle
of, of like in that hiatus.

490
00:17:45,949 --> 00:17:46,185
Okay.

491
00:17:46,185 --> 00:17:49,635
And, and did some gambling and, and,
uh, was recognized a little bit.

492
00:17:49,665 --> 00:17:50,354
It was kind of fun.

493
00:17:50,715 --> 00:17:50,955
Those

494
00:17:50,955 --> 00:17:52,815
Sarah Foss: were the early
days of your recognition.

495
00:17:52,815 --> 00:17:53,295
Exactly.

496
00:17:53,295 --> 00:17:53,655
Yes, of course.

497
00:17:53,655 --> 00:17:54,855
It's only increased now.

498
00:17:55,125 --> 00:17:55,245
Uh,

499
00:17:55,245 --> 00:17:56,595
Buzzy Cohen: I think it's
decreased now, actually.

500
00:17:56,595 --> 00:17:56,655
Yeah.

501
00:17:56,655 --> 00:18:00,645
But we can talk about that on another
podcast inside Buzz's, uh, insecurity.

502
00:18:00,705 --> 00:18:00,825
All

503
00:18:00,825 --> 00:18:01,155
Sarah Foss: right.

504
00:18:01,155 --> 00:18:04,455

That's coming up, um, soon,
but for now, as we mentioned,

505

00:18:04,455 --> 00:18:05,895
high school reunion tournament.

506

00:18:05,895 --> 00:18:09,014
My ambi is back in syndication
for the first time this

507

00:18:09,014 --> 00:18:11,415
season, so she'll be on today.

508

00:18:11,565 --> 00:18:16,695
Steven will return along with Ken
Jennings on March 10th in syndication.

509

00:18:17,024 --> 00:18:20,145
We're looking forward to seeing
if Steven's Streak can continue.

510

00:18:21,014 --> 00:18:22,544
But for now, let's answer some viewer

511

00:18:22,544 --> 00:18:23,235
Music: questions.

512

00:18:28,635 --> 00:18:32,415
Buzzy Cohen: Odd manufacturer, 9 63
on Reddit asks if there's a two day

513

00:18:32,415 --> 00:18:35,965
tournament with cumulative scoring,
like at the end of a typical T O C A.

514

00:18:36,330 --> 00:18:39,510
Why is this person avoiding saying a
two day total point affair, but okay.

515

00:18:39,540 --> 00:18:39,629
Mm-hmm.

516

00:18:39,870 --> 00:18:43,169
and one player finishes the double jeopardy round with a negative score.

517
00:18:43,169 --> 00:18:43,770
Unlikely.

518
00:18:43,770 --> 00:18:45,149
I know, but not impossible.

519
00:18:45,300 --> 00:18:48,060
Does that get deducted from what they score on the other

520
00:18:48,060 --> 00:18:49,740
day, or is it just zeroed out?

521
00:18:50,790 --> 00:18:51,600
It is zeroed out.

522
00:18:51,870 --> 00:18:52,740
Sarah Foss: Oh yeah.

523
00:18:52,980 --> 00:18:56,879
The only time we've actually seen this in the past was in goat.

524
00:18:57,500 --> 00:18:58,060
Right.

525
00:18:58,110 --> 00:18:58,950
A certain brad.

526
00:19:00,135 --> 00:19:04,004
unable to my fellow chaser positive score.

527
00:19:04,395 --> 00:19:06,855
And we really hope that doesn't happen in the future cuz

528
00:19:06,855 --> 00:19:08,595
Buzzy Cohen: it's, it's no fun for anyone.

529

00:19:08,595 --> 00:19:11,565

Well I think, I think if Michael Davies
has his way, the two-day total point

530

00:19:11,565 --> 00:19:12,795

affair might be a thing at a pass.

531

00:19:13,254 --> 00:19:13,375

Sarah Foss: Hmm.

532

00:19:13,375 --> 00:19:13,754

I don't know.

533

00:19:13,754 --> 00:19:15,495

It's finding its way and some of

534

00:19:15,500 --> 00:19:17,865

Buzzy Cohen: our plans
for, see, I know nothing.

535

00:19:17,870 --> 00:19:20,504

That's how you know they, I really know
nothing about what's going on the show.

536

00:19:20,975 --> 00:19:21,514

I love it.

537

00:19:21,544 --> 00:19:24,695

I just love saying it
and yeah, it is a rarity.

538

00:19:24,695 --> 00:19:28,594

I feel like there is an interesting game
theory aspect to it though, where it's

539

00:19:28,594 --> 00:19:32,615

like if you're going down, maybe you
just start guessing like crazy down hard.

540

00:19:32,615 --> 00:19:33,254

Cause you go down hard.

541
00:19:33,274 --> 00:19:37,445
If it's gonna get zeroed out, negative a
hundred or negative 15,000 doesn't make a

542
00:19:37,449 --> 00:19:37,745
Sarah Foss: difference.

543
00:19:38,295 --> 00:19:41,535
Well, I will say the high school
reunion tournament features a

544
00:19:41,535 --> 00:19:42,955
two-day total point of affair.

545
00:19:43,875 --> 00:19:47,025
I'm excited, and I'm just gonna
tease that it does not disappoint.

546
00:19:47,505 --> 00:19:51,525
Buzzy Cohen: I know that Michael
likes the kind of playoff approach,

547
00:19:51,735 --> 00:19:55,275
but there is something, there's some
drama that can happen in a two-day.

548
00:19:55,275 --> 00:19:55,335
It

549
00:19:55,715 --> 00:19:57,705
Sarah Foss: has its place
like, like all things.

550
00:19:57,705 --> 00:20:01,725
I think there is a place where this is
the right format for certain things.

551
00:20:02,195 --> 00:20:02,585
Buzzy Cohen: Okay.

552
00:20:02,705 --> 00:20:06,875

Well, moving along, Jackie asks,
when a contestant lands on a daily

553

00:20:06,875 --> 00:20:10,205
double, how much time are they
allowed to decide how much to wager?

554

00:20:10,415 --> 00:20:11,855
Wagering is a tricky business.

555

00:20:11,945 --> 00:20:14,855
How do you manage a contestant
that's having a hard time making a

556

00:20:14,860 --> 00:20:15,365
Sarah Foss: decision?

557

00:20:15,485 --> 00:20:19,955
Well, we don't have a specific amount
of time set aside for the actual wager.

558

00:20:20,315 --> 00:20:21,725
You know, we, we lean on our hosts.

559

00:20:22,165 --> 00:20:23,845
To kind of push them along.

560

00:20:23,850 --> 00:20:27,895
You'll hear Ken or Myam say,
so and so, I need a wager.

561

00:20:27,955 --> 00:20:28,045
Yeah.

562

00:20:28,045 --> 00:20:29,215
You know, so we kind of push them along.

563

00:20:29,275 --> 00:20:32,245
The clue has not been revealed,
so you're not giving an advantage

564

00:20:32,275 --> 00:20:33,895

in terms of responding correctly.

565

00:20:34,165 --> 00:20:37,435

Now, once the clue is revealed in a daily double, you have eight seconds.

566

00:20:37,440 --> 00:20:37,495

Yeah.

567

00:20:37,495 --> 00:20:39,295

So that is a timed period.

568

00:20:39,325 --> 00:20:41,365

You have eight seconds to give your response.

569

00:20:41,625 --> 00:20:42,615

In a daily double.

570

00:20:42,615 --> 00:20:46,125

But in terms of your wager, obviously we're not gonna let you stay up there

571

00:20:46,125 --> 00:20:49,605

for five minutes and think about your life's history before you make a wager,

572

00:20:49,605 --> 00:20:53,655

but we'll give you some time and our host will kind of push our contestants along.

573

00:20:54,030 --> 00:20:55,650

to make that way during a timely manner.

574

00:20:55,710 --> 00:20:56,040

Buzzy Cohen: Yes.

575

00:20:56,040 --> 00:21:01,410

My, my friend and former adversary, I guess Alan Lynn very famously would Yes.

576

00:21:01,770 --> 00:21:03,260

Be up there and he, I forgot about that.

577

00:21:03,270 --> 00:21:07,620

He would calculate how much money was left on the board and do all kinds of math.

578

00:21:07,620 --> 00:21:11,070

And it was like, they, they edited it down a lot for TV because, you

579

00:21:11,070 --> 00:21:12,510

know, that's a part that for the,

580

00:21:12,600 --> 00:21:15,660

Sarah Foss: and to watch him while he did it and the way his eye line would shift.

581

00:21:15,660 --> 00:21:16,410

I had forgotten about

582

00:21:16,410 --> 00:21:16,650

Buzzy Cohen: that.

583

00:21:16,660 --> 00:21:19,590

That was, yeah, I think the, uh, the social media team had fun,

584

00:21:19,590 --> 00:21:21,090

like with sort of the meme of.

585

00:21:21,810 --> 00:21:22,169

Uh,

586

00:21:22,200 --> 00:21:22,409

Sarah Foss: yeah.

587

00:21:22,409 --> 00:21:23,250

You know, flying around his head, what is

588

00:21:23,250 --> 00:21:24,240

Buzzy Cohen: going on in Alan's head?

589

00:21:24,300 --> 00:21:28,110

I, I, I have trouble
doing just basic math.

590

00:21:28,110 --> 00:21:31,560

I've ch I've chose clues that I
had already answered on the board.

591

00:21:31,560 --> 00:21:33,810

So the fact that he could
do that, just unbelievable.

592

00:21:34,110 --> 00:21:34,590

Well, many

593

00:21:34,590 --> 00:21:37,919

Sarah Foss: contestants say the math
is the scariest part of Jeopardy.

594

00:21:37,950 --> 00:21:38,340

Yeah.

595

00:21:38,340 --> 00:21:39,010

I, um, forget.

596

00:21:39,395 --> 00:21:40,534

The knowledge, it's

597

00:21:40,534 --> 00:21:40,925

Buzzy Cohen: the bath.

598

00:21:40,985 --> 00:21:44,615

I was on the chase and I messed up a
question because I did the math wrong and

599

00:21:44,615 --> 00:21:46,465

I said I thought I had it in my contract.

600

00:21:46,470 --> 00:21:47,764

No math on tv.

601

00:21:47,764 --> 00:21:50,885
And whatever happens going forward,
that will be in my contract.

602
00:21:50,975 --> 00:21:51,965
Alright, you heard it here first.

603
00:21:51,965 --> 00:21:53,825
You heard it here first and last.

604
00:21:53,915 --> 00:21:55,175
That is it for today's show.

605
00:21:55,175 --> 00:21:58,145
As we mentioned, we'll be back
next week to discuss the first.

606
00:21:58,205 --> 00:22:02,135
Five quarter final games of the very
exciting high school reunion tournament,

607
00:22:02,135 --> 00:22:03,754
which will culminate in a two day

608
00:22:03,754 --> 00:22:04,504
Sarah Foss: total point affair.

609
00:22:04,504 --> 00:22:05,735
You will, you won't wanna miss it.

610
00:22:05,735 --> 00:22:08,435
And as always, please make sure
to subscribe to the podcast.

615
00:22:20,940 --> 00:22:21,900
We'll see y'all next week.

616
00:22:22,080 --> 00:22:22,590
Grab that

617
00:22:22,590 --> 00:22:23,430
Buzzy Cohen: drum, Michael.
