

1

00:00:00,300 --> 00:00:03,150  
Buzzy Cohen: From the Alex  
Trebek sstage at Sony Pictures

2

00:00:03,150 --> 00:00:07,890  
Studios, this is Inside Jeopardy!.

3

00:00:08,310 --> 00:00:12,760  
Hello and welcome back to Inside  
Jeopardy!, your exclusive and official

4

00:00:12,765 --> 00:00:16,079  
podcast destination for all things  
happening in the world of Jeopardy!.

5

00:00:16,560 --> 00:00:18,780  
For the first time ever opening the show.

6

00:00:18,780 --> 00:00:22,530  
I'm a Buzzy Cohen alongside  
producer Sarah Foss.

7

00:00:22,530 --> 00:00:23,350  
Well done Buzzy.

8

00:00:23,355 --> 00:00:23,550  
Well done.

9

00:00:23,550 --> 00:00:23,970  
Thank you.

10

00:00:23,970 --> 00:00:25,980  
I hope I did well enough to  
get to do it again one day.

11

00:00:26,640 --> 00:00:26,850  
Uh, I don't know.

12

00:00:26,850 --> 00:00:27,420  
Let's not push it.

13

00:00:29,070 --> 00:00:30,150  
Well, how are you doing?

14  
00:00:30,150 --> 00:00:31,410  
You celebrated a birthday.

15  
00:00:31,415 --> 00:00:34,830  
We had a lot going on in the  
world of Jeopardy! this week.

16  
00:00:34,835 --> 00:00:35,150  
Yes,

17  
00:00:35,200 --> 00:00:37,269  
Sarah Foss: it was JeopardDAY!.

18  
00:00:37,490 --> 00:00:38,310  
JeopardDAY! baby.

19  
00:00:38,760 --> 00:00:41,550  
And you know, it came with  
some big announcements.

20  
00:00:41,580 --> 00:00:41,670  
Mm-hmm.

21  
00:00:41,910 --> 00:00:44,390  
It came with, of course,  
the Anytime Test I.

22  
00:00:45,089 --> 00:00:45,630  
I know.

23  
00:00:45,630 --> 00:00:46,710  
I love that you took it.

24  
00:00:46,714 --> 00:00:46,970  
Took it.

25  
00:00:46,975 --> 00:00:47,010  
Yeah.

26  
00:00:47,040 --> 00:00:52,290  
You know, As people may or may not know on jeopardy, we let people take the test even

27  
00:00:52,379 --> 00:00:54,240  
who have taken it within the last year.

28  
00:00:54,510 --> 00:00:57,780  
Even people like Buzzy Cohen who have already been contestants.

29  
00:00:57,780 --> 00:01:01,379  
But the point is that in addition to getting new people to take the test,

30  
00:01:01,379 --> 00:01:05,370  
we wanna raise money for a great cause that cause of course, pancreatic

31  
00:01:05,375 --> 00:01:10,990  
cancer research with standup to cancer and we were able to donate 59,000.

32  
00:01:11,525 --> 00:01:16,414  
To support that cause thanks to the 15,000 eight hundred and seven thirty

33  
00:01:16,415 --> 00:01:18,485  
three people who took the anytime.

34  
00:01:19,320 --> 00:01:20,010  
On Jeopardy!

35  
00:01:20,250 --> 00:01:21,690  
Buzzy Cohen: Wow, that is incredible.

36  
00:01:21,750 --> 00:01:27,510  
You know, when I was taking the Jeopardy test back in 2015 or whatever, and it

37  
00:01:27,510 --> 00:01:32,280  
wasn't any time, I think the total number

of people that took the test was something

38

00:01:32,280 --> 00:01:34,890

I was told something like 60 or 70,000.

39

00:01:35,040 --> 00:01:35,430

So to have.

40

00:01:36,110 --> 00:01:40,430

Everyone on one day, you know, almost a, a quarter of that is really impressive.

41

00:01:40,670 --> 00:01:45,560

Just speaks to how great our fans are and also our future contesting.

42

00:01:45,560 --> 00:01:46,220

Sarah Foss: That's right.

43

00:01:46,220 --> 00:01:50,720

We hope that the next great champion took that test on jeopardy.

44

00:01:51,140 --> 00:01:53,150

About a hundred thousand people do take the test.

45

00:01:53,155 --> 00:01:53,270

Yeah.

46

00:01:53,270 --> 00:01:56,720

At this point, annually, because of the Anytime testing did allow it to be.

47

00:01:56,995 --> 00:01:58,165

More accessible for people.

48

00:01:58,165 --> 00:01:59,245

It takes 15 minutes.

49

00:01:59,245 --> 00:02:01,675

So if you missed it, it's still up there.

50  
00:02:01,705 --> 00:02:03,385  
That's why we call it the Anytime test.

51  
00:02:03,385 --> 00:02:05,065  
You can still go and take it right now.

52  
00:02:05,125 --> 00:02:05,515  
And I will

53  
00:02:05,515 --> 00:02:07,975  
Buzzy Cohen: say like, you know,  
I finished it in about seven.

54  
00:02:08,215 --> 00:02:09,025  
Oh right.

55  
00:02:09,175 --> 00:02:11,335  
So if you know the answer, I'm  
just saying if you know the

56  
00:02:11,335 --> 00:02:12,325  
Sarah Foss: answer, I'm just saying.

57  
00:02:13,080 --> 00:02:16,200  
If you got it up to 15 minutes,  
I would say up to 15 minutes.

58  
00:02:16,200 --> 00:02:21,960  
So if you are a Buzzy Cohen level  
competitor could take you less than 10.

59  
00:02:22,050 --> 00:02:22,710  
Just saying.

60  
00:02:22,920 --> 00:02:22,980  
Yeah.

61  
00:02:22,980 --> 00:02:23,130  
I mean,

62

00:02:23,130 --> 00:02:24,660  
Buzzy Cohen: you don't find out  
what your score is at the end.

63  
00:02:24,665 --> 00:02:28,200  
So I guess the best thing that you've  
got is uh, how fast you got done.

64  
00:02:28,350 --> 00:02:28,830  
I like it.

65  
00:02:28,980 --> 00:02:30,810  
Sarah Foss: You always make  
something, a competition buzzy.

66  
00:02:30,810 --> 00:02:31,830  
I love that about, yes.

67  
00:02:31,835 --> 00:02:32,435  
Yes.

68  
00:02:32,585 --> 00:02:33,605  
Did you hear a little cough in

69  
00:02:33,605 --> 00:02:34,235  
Buzzy Cohen: the background?

70  
00:02:34,385 --> 00:02:35,975  
I did hear a little  
cough in the background.

71  
00:02:35,975 --> 00:02:37,205  
We have a little sick friend in the

72  
00:02:37,205 --> 00:02:37,625  
Sarah Foss: studio today.

73  
00:02:37,625 --> 00:02:38,015  
Yeah.

74  
00:02:38,045 --> 00:02:39,395  
It's spring break, you know?

75

00:02:39,395 --> 00:02:39,455

Yeah.

76

00:02:39,455 --> 00:02:40,385

It's spring break.

77

00:02:40,415 --> 00:02:44,375

One of my daughters, Reagan isn't feeling great, and I was in New York last week.

78

00:02:44,465 --> 00:02:44,555

Mm-hmm.

79

00:02:44,885 --> 00:02:47,765

And so she wanted some mommy time and I said, Hey.

80

00:02:48,230 --> 00:02:51,770

No better time to be with Mommy than in the pod with buzzy in the team.

81

00:02:51,770 --> 00:02:55,220

So sneezing, oozing away with a jeopardy blanket on the pod

82

00:02:55,220 --> 00:02:55,640

Buzzy Cohen: couch.

83

00:02:55,670 --> 00:02:58,040

Well, and when you were in New York, you and Mr.

84

00:02:58,040 --> 00:03:02,300

Michael Davies recorded a special episode of the pod.

85

00:03:02,570 --> 00:03:03,260

Yes, we did.

86

00:03:03,265 --> 00:03:05,390

And you announced something very exciting.

87

00:03:05,480 --> 00:03:06,860  
Sarah Foss: Oh yes, that's right.

88

00:03:07,220 --> 00:03:11,600  
If you haven't heard, and I  
think you have Champion's Wild

89

00:03:11,600 --> 00:03:13,490  
card is now coming into the mix.

90

00:03:13,790 --> 00:03:15,950  
We've been teasing on this pod.

91

00:03:15,955 --> 00:03:16,440  
Mm-hmm.

92

00:03:16,570 --> 00:03:18,250  
Expansion of the post season.

93

00:03:18,250 --> 00:03:22,359  
We had been teasing, you know, second  
chance coming back, but one of the big

94

00:03:22,359 --> 00:03:27,430  
things we heard from people was, Hey, you  
have this competition for second chances

95

00:03:27,430 --> 00:03:30,640  
who didn't win one game, and then you've  
got t o c last season for people mm-hmm.

96

00:03:30,640 --> 00:03:31,650  
Who won four or more, but.

97

00:03:32,070 --> 00:03:34,710  
What about those other  
champions in between?

98

00:03:34,920 --> 00:03:36,420  
Yeah, they deserve another shot.

99  
00:03:36,480 --> 00:03:37,950  
Yeah, and that's exactly what we thought.

100  
00:03:37,950 --> 00:03:41,760  
So Champion's Wild Card will be a  
chance for any of our players who won

101  
00:03:41,765 --> 00:03:45,210  
at least one game to compete if they  
don't already qualify for the T O c.

102  
00:03:45,210 --> 00:03:46,620  
And we don't know this season.

103  
00:03:46,620 --> 00:03:48,870  
That could be three game  
winners looking like.

104  
00:03:48,870 --> 00:03:50,220  
It'll definitely be four game winners.

105  
00:03:50,225 --> 00:03:55,200  
Not sure yet, but Second Chance won't  
be an automatic drop into T O C.

106  
00:03:55,200 --> 00:03:58,470  
Now, second Chance will feed into  
Champions Wild guard because once you win

107  
00:03:58,475 --> 00:04:00,350  
in a game and second chance, then you too.

108  
00:04:00,470 --> 00:04:01,400  
Are a champion.

109  
00:04:01,400 --> 00:04:01,910  
There you go.

110  
00:04:01,940 --> 00:04:05,390  
And you know, lots of feedback  
we have heard already.

111  
00:04:06,270 --> 00:04:10,970  
Positive, negative, but I really wanna  
encourage people to watch it all play out.

112  
00:04:11,030 --> 00:04:11,570  
Exactly, yeah.

113  
00:04:11,575 --> 00:04:15,320  
In the post-season of season 40,  
I really think what you're going

114  
00:04:15,325 --> 00:04:20,209  
to get, the gameplay, the level of  
competition, the excitement when those

115  
00:04:20,209 --> 00:04:22,390  
few people advanced to the t o c.

116  
00:04:22,940 --> 00:04:25,099  
I think this is gonna be great  
Jeopardy, and I just want

117  
00:04:25,099 --> 00:04:27,320  
people to, to check it out.

118  
00:04:27,380 --> 00:04:28,729  
You know, keep an open mind.

119  
00:04:29,240 --> 00:04:30,830  
I think we've got something  
really good in store.

120  
00:04:30,979 --> 00:04:31,310  
I am

121  
00:04:31,550 --> 00:04:34,550  
Buzzy Cohen: extremely excited for  
that because as we saw in Second

122  
00:04:34,555 --> 00:04:37,729  
Chance, sometimes these people who  
do not necessarily hit their stride,

123  
00:04:37,729 --> 00:04:40,849  
they come back, they're a little more  
familiar as we've seen, you know, t o

124  
00:04:40,849 --> 00:04:43,130  
c levels up because of the familiarity.

125  
00:04:43,400 --> 00:04:48,340  
How does that play out if  
you spend, you know, a, a.

126  
00:04:49,230 --> 00:04:51,750  
Quote unquote, a week, doing  
Second Chance, then another

127  
00:04:51,750 --> 00:04:53,490  
week, you know, or whatever.

128  
00:04:53,490 --> 00:04:57,360  
In Champion's wildcard, all of a  
sudden you're coming into this T O C.

129  
00:04:57,360 --> 00:05:01,110  
If you've kind of won that many  
in close succession, you're

130  
00:05:01,110 --> 00:05:02,130  
feeling pretty confident.

131  
00:05:02,280 --> 00:05:02,490  
Sarah Foss: Yeah.

132  
00:05:02,495 --> 00:05:03,960  
What a Cinderella story.

133  
00:05:03,960 --> 00:05:04,570  
Would it totally.

134  
00:05:04,570 --> 00:05:08,040  
Would it be if we have a second  
Chancer who then goes in to

135

00:05:08,530 --> 00:05:11,909  
champion's Wildcard, makes it out  
of that, makes it into the T o c.

136

00:05:12,300 --> 00:05:13,080  
Buzzy Cohen: It could happen.

137

00:05:13,170 --> 00:05:17,520  
Look, this show has been on long  
enough and we've seen almost everyth.

138

00:05:17,955 --> 00:05:22,035  
Imaginable under the sun and  
knowing that Jeopardy will continue

139

00:05:22,040 --> 00:05:24,635  
on probably long past my life.

140

00:05:25,095 --> 00:05:25,935  
God willing.

141

00:05:26,085 --> 00:05:26,955  
Sarah Foss: Absolutely.

142

00:05:27,015 --> 00:05:30,105  
And you're gonna have a long life, but  
that's how long Jeopardy's gonna go.

143

00:05:30,165 --> 00:05:30,375  
It's

144

00:05:30,375 --> 00:05:31,035  
Buzzy Cohen: gonna happen.

145

00:05:31,095 --> 00:05:32,475  
It's gonna happen, and I can't wait.

146

00:05:32,535 --> 00:05:35,565  
I hope that I'm there to see it,  
so it's really exciting stuff.

147  
00:05:35,565 --> 00:05:39,795  
Thank you Sarah and Michael for  
getting together and dropping that for

148  
00:05:39,795 --> 00:05:40,095  
Sarah Foss: us.

149  
00:05:40,125 --> 00:05:40,275  
Yep.

150  
00:05:40,425 --> 00:05:45,765  
It was a big drop and that wasn't the  
only thing that was dropped last week.

151  
00:05:45,765 --> 00:05:48,945  
Another big announcement  
regarding you, my friend.

152  
00:05:49,005 --> 00:05:53,055  
Buzzy Cohen: Cs, we are bringing the  
fans an all new Jeopardy podcast.

153  
00:05:53,175 --> 00:05:53,685  
It's called.

154  
00:05:53,745 --> 00:05:59,355  
This is Jeopardy, the story of America's  
favorite quiz show and it's hosted by me.

155  
00:05:59,505 --> 00:06:00,284  
Can it get better?

156  
00:06:00,750 --> 00:06:03,690  
It can get better because  
I have been recording this.

157  
00:06:03,690 --> 00:06:05,160  
It's a little different  
than Inside Jeopardy.

158  
00:06:05,160 --> 00:06:05,250  
Yes.

159

00:06:05,250 --> 00:06:07,380

Which is sort of an in the  
moment what's going on.

160

00:06:07,410 --> 00:06:08,790

We converse, we catch up.

161

00:06:08,820 --> 00:06:11,070

This is Jeopardy as deeply researched.

162

00:06:11,250 --> 00:06:14,100

We go out, we interview  
people, we find the stories.

163

00:06:14,130 --> 00:06:18,690

I know a lot about Jeopardy just being  
a fan and being a part of it, and

164

00:06:18,690 --> 00:06:21,840

there's so much that I've learned and  
it's also great to hear these stories.

165

00:06:22,240 --> 00:06:24,430

From the voices of the  
people who live them.

166

00:06:24,430 --> 00:06:29,500

In many cases, it's organized sort of  
around these big moments in jeopardy.

167

00:06:29,530 --> 00:06:33,870

It's not just sort of, Okay, in this  
year we did this and in this year, you

168

00:06:33,870 --> 00:06:39,030

know, we really created some interesting  
thematic points with the team at Sony

169

00:06:39,030 --> 00:06:44,040

Music, and I'm excited, I'm very honored  
to be a part of it, and I'm excited

170  
00:06:44,045 --> 00:06:47,730  
for the fans to get to dig in because I  
think they're really gonna learn a lot.

171  
00:06:47,730 --> 00:06:51,270  
And it's also, you know what's interesting  
about this too, as a fan, we talk to

172  
00:06:51,270 --> 00:06:56,430  
all these people who make the show every  
day and have been doing so for decades.

173  
00:06:56,490 --> 00:06:58,140  
And so it's really, really cool.

174  
00:06:58,289 --> 00:06:59,640  
I know these people now.

175  
00:07:00,035 --> 00:07:03,365  
As a fan, I can imagine hearing  
from them, uh, is gonna be really

176  
00:07:03,365 --> 00:07:03,785  
Sarah Foss: exciting.

177  
00:07:03,935 --> 00:07:04,265  
Yeah.

178  
00:07:04,265 --> 00:07:09,755  
They offer incredible insight and point of  
view that not everyone has heard before.

179  
00:07:10,085 --> 00:07:13,415  
I've been able to listen to a  
couple of the episodes and I said

180  
00:07:13,415 --> 00:07:14,945  
this before, I'm learning things.

181  
00:07:14,945 --> 00:07:18,605  
Yeah, and I think that says a lot  
about what this podcast is bringing.

182

00:07:18,605 --> 00:07:22,415

So it will launch on  
April 26th, the teaser.

183

00:07:22,605 --> 00:07:23,475

Is out there.

184

00:07:23,475 --> 00:07:26,265

It really does a good job of  
you want more, you want more

185

00:07:26,265 --> 00:07:27,645

than just that short teaser.

186

00:07:27,975 --> 00:07:30,885

But go ahead and subscribe wherever  
you get your podcast because

187

00:07:30,885 --> 00:07:34,845

when it launches on April 26th,  
you will want to be listening.

188

00:07:34,845 --> 00:07:37,665

And if that wasn't enough, there is more.

189

00:07:37,935 --> 00:07:43,065

Jeopardy News, our Master's competitor  
and 2022 Tournament of Champions winner.

190

00:07:43,545 --> 00:07:48,825

Amy Schneider announced her new book,  
the title in the form of a question.

191

00:07:49,065 --> 00:07:50,835

It's coming out in October.

192

00:07:51,165 --> 00:07:52,815

You know, Amy's been talking about that.

193

00:07:52,815 --> 00:07:56,605

She was very busy working on this

book and she really wanted to share.

194

00:07:57,135 --> 00:08:01,875

You know, the life changing benefits that come from being curious about the most

195

00:08:01,875 --> 00:08:04,575

important subject in the world yourself.

196

00:08:04,635 --> 00:08:04,905

Mm-hmm.

197

00:08:04,965 --> 00:08:07,965

So, you know, she even talked in Masters about you have these

198

00:08:07,965 --> 00:08:09,284

15 second interviews, right?

199

00:08:09,289 --> 00:08:12,825

She got to do 40 plus of them having been a long time Jeopardy

200

00:08:12,830 --> 00:08:15,375

contestant, but she wanted to.

201

00:08:15,400 --> 00:08:16,900

Peel back the onion a little more.

202

00:08:16,900 --> 00:08:20,200

There are so many other stories, deeper stories for her to share.

203

00:08:20,440 --> 00:08:23,080

And, uh, this book is gonna be a chance for her to do that.

204

00:08:23,080 --> 00:08:23,289

We

205

00:08:23,289 --> 00:08:28,150

Buzzy Cohen: are, uh, big Amy fans in my

house, so, um, excited to pre-order this

206

00:08:28,150 --> 00:08:32,829

book and dig in and find out more about  
Amy, who's just an incredible competitor.

207

00:08:33,100 --> 00:08:39,010

Excited also about, Masters coming up, uh,  
and seeing how Amy holds her own against

208

00:08:39,010 --> 00:08:44,200

her former competitors and some other  
amazing players from Jeopardy Present.

209

00:08:44,350 --> 00:08:44,710

Yes.

210

00:08:44,710 --> 00:08:46,690

Sarah Foss: I don't know if  
everyone heard the air dates.

211

00:08:46,690 --> 00:08:50,140

ABC did drop those, but  
Masters is debuting on May 8th.

212

00:08:50,620 --> 00:08:54,310

It will air May 8th, ninth, and 10th,  
and then on Friday, May 12th that week,

213

00:08:54,610 --> 00:08:56,620

we'll come back for a second week.

214

00:08:56,710 --> 00:08:58,930

May 15th, 16th and 17th.

215

00:08:59,080 --> 00:09:02,020

And then the big  
conclusion, the semi-finals.

216

00:09:02,555 --> 00:09:05,464

Final on the 22nd through 24th.

217

00:09:05,464 --> 00:09:09,574  
Okay, so it's a three week event, 10  
episodes, 20 games, hour long episodes.

218  
00:09:09,814 --> 00:09:10,084  
Yeah.

219  
00:09:10,084 --> 00:09:11,734  
10 episodes with two games each.

220  
00:09:11,739 --> 00:09:12,675  
So 20 games.

221  
00:09:13,215 --> 00:09:15,075  
One champion buzzy.

222  
00:09:15,165 --> 00:09:15,555  
Mark

223  
00:09:15,555 --> 00:09:17,955  
Buzzy Cohen: your calendars on  
your inside jeopardy because we are

224  
00:09:18,075 --> 00:09:19,735  
I'm sure gonna be diving Oh yeah.

225  
00:09:19,735 --> 00:09:21,045  
We're deep, deep into,  
we're doing a deep dive.

226  
00:09:21,045 --> 00:09:23,355  
I've got no, I've got, you  
know, mountains of notes.

227  
00:09:23,360 --> 00:09:24,015  
Yeah, you have your notes.

228  
00:09:24,020 --> 00:09:25,575  
Carlos is pulling the stats.

229  
00:09:25,665 --> 00:09:26,295  
Oh my goodness.

230

00:09:26,295 --> 00:09:27,225

The stats.

231

00:09:27,285 --> 00:09:29,505

Well, there is so much amazing stuff going on in the world

232

00:09:29,510 --> 00:09:30,705

of Jeopardy, but now I think.

233

00:09:30,905 --> 00:09:32,795

Why don't we just dig into last week's games?

234

00:09:32,855 --> 00:09:33,985

Alright, with some beat boos.

235

00:09:38,855 --> 00:09:42,395

Sarah Foss: We kicked off the week with returning champion Tamara Gaas

236

00:09:42,395 --> 00:09:46,025

going for her second win up against Nicole Rudolph and Kevin Manning.

237

00:09:46,084 --> 00:09:46,714

Buzzy Cohen: Good game.

238

00:09:46,720 --> 00:09:47,915

Very evenly matched.

239

00:09:47,915 --> 00:09:50,045

We had some great hair in Kevin.

240

00:09:50,045 --> 00:09:50,824

I just gotta say that.

241

00:09:51,415 --> 00:09:53,095

What is, you know, the tail in main.

242

00:09:53,575 --> 00:09:54,505  
Sarah Foss: I know it was good.

243  
00:09:54,745 --> 00:09:57,925  
And we had that W w E category  
last week with Triple H.

244  
00:09:57,925 --> 00:10:00,265  
A lot of people making a  
little, little comparison.

245  
00:10:00,475 --> 00:10:02,995  
I see it, you know, you see Kevin  
and Triple H back when Triple H

246  
00:10:02,995 --> 00:10:04,975  
had the, the long flowing locks.

247  
00:10:04,980 --> 00:10:05,575  
He was a Kevin

248  
00:10:05,575 --> 00:10:06,115  
Buzzy Cohen: in the making.

249  
00:10:06,175 --> 00:10:07,735  
Yeah, well, pretty tight game.

250  
00:10:07,735 --> 00:10:12,055  
Um, and in double jeopardy still pretty  
evenly matched each of our competitors

251  
00:10:12,055 --> 00:10:13,405  
getting eight or nine, correct.

252  
00:10:13,405 --> 00:10:14,875  
One or two incorrect.

253  
00:10:14,905 --> 00:10:18,115  
Tamara incorrect on that  
\$5,000 daily double.

254  
00:10:18,320 --> 00:10:21,530

Nicole correct on the \$3,000 daily double.

255

00:10:21,830 --> 00:10:28,460

Um, not a super, super strong score,  
but enough to give her a runaway.

256

00:10:28,850 --> 00:10:29,180

Sarah Foss: Yes.

257

00:10:29,180 --> 00:10:32,990

And I have to talk about one of the clues  
that has received a little buzz this week.

258

00:10:32,990 --> 00:10:34,460

The category, the Bible, the clue.

259

00:10:34,465 --> 00:10:38,330

After the last supper, Jesus traveled  
to this garden to pray and was

260

00:10:38,920 --> 00:10:40,560

arrested there, the correct response.

261

00:10:40,565 --> 00:10:42,720

What is the Garden of Gethsemane?

262

00:10:42,980 --> 00:10:45,160

Kevin responded with sem.

263

00:10:45,475 --> 00:10:46,975

Ken ruled him incorrect.

264

00:10:47,005 --> 00:10:49,705

Then tomorrow rebounded with Emini.

265

00:10:49,915 --> 00:10:51,775

So then she was ruled.

266

00:10:51,775 --> 00:10:52,195

Correct.

267

00:10:52,195 --> 00:10:55,885  
And all of these people are online  
saying, wait, but he used the hard G.

268  
00:10:55,885 --> 00:11:03,025  
It is Emini and yes it is Emini, but it's  
not Geh, SEMA d I actually visited the

269  
00:11:03,030 --> 00:11:05,395  
Garden of Gee with the clue crew, so I.

270  
00:11:05,970 --> 00:11:09,780  
I had firsthand knowledge of this one,  
and I know that people are wanting to

271  
00:11:09,780 --> 00:11:11,940  
make sure that Kevin wasn't robbed.

272  
00:11:12,180 --> 00:11:16,830  
I saw that, you know, Ken Jennings  
robs Kevin of correct response.

273  
00:11:16,830 --> 00:11:19,170  
We didn't actually rob him of that.

274  
00:11:19,380 --> 00:11:20,880  
He did put a d.

275  
00:11:21,250 --> 00:11:24,610  
At the end of the word, it had nothing  
to do with the hard G at the beginning.

276  
00:11:24,610 --> 00:11:24,730  
Yes.

277  
00:11:25,090 --> 00:11:26,980  
It's a tough ruling, but  
it is the right ruling.

278  
00:11:27,010 --> 00:11:27,220  
Yeah.

279

00:11:27,220 --> 00:11:29,440  
Buzzy Cohen: And I remember in our  
briefing, and I'm sure it's the

280  
00:11:29,440 --> 00:11:33,400  
same briefing now that it was seven  
years ago or close to it, um, I

281  
00:11:33,400 --> 00:11:35,050  
Sarah Foss: mean, it's  
probably improved and involved.

282  
00:11:35,050 --> 00:11:35,560  
Yeah, of course.

283  
00:11:35,560 --> 00:11:35,890  
Yes.

284  
00:11:35,890 --> 00:11:36,270  
But the, the

285  
00:11:36,340 --> 00:11:38,020  
Buzzy Cohen: nuts and bolts again,  
the nuts and bolts are the same.

286  
00:11:38,025 --> 00:11:40,750  
And, and they go into this,  
that if your pronunciation.

287  
00:11:41,250 --> 00:11:43,770  
Changes the spelling, it's incorrect.

288  
00:11:43,770 --> 00:11:46,110  
But if it could be spelled that  
way, if it's a word you've only

289  
00:11:46,110 --> 00:11:49,860  
read and not heard, then, which  
happens a lot in our world.

290  
00:11:49,865 --> 00:11:49,980  
Yes.

291

00:11:49,980 --> 00:11:50,520  
You know, like,

292

00:11:50,520 --> 00:11:50,790  
Sarah Foss: uh, yes.

293

00:11:50,850 --> 00:11:51,930  
Especially with our big

294

00:11:51,930 --> 00:11:52,890  
Buzzy Cohen: reading contestants.

295

00:11:52,890 --> 00:11:54,930  
Reading contestants, crossword people.

296

00:11:54,930 --> 00:12:00,030  
Uh, so the examples we were given was  
if you said . That would be correct,

297

00:12:00,030 --> 00:12:01,140  
even though we call it highlight.

298

00:12:01,915 --> 00:12:05,700  
And um, uh, the example was  
given of a contestant who said

299

00:12:05,820 --> 00:12:08,100  
Namibia, uh, instead of Namibia.

300

00:12:08,550 --> 00:12:09,720  
Um, and they went back to the tape.

301

00:12:09,720 --> 00:12:12,840  
So anyway, that is something that  
the contestants are well aware of.

302

00:12:12,840 --> 00:12:17,700  
Even if the tabloids are not, Kevin,  
I'm sure, knew what he had done wrong.

303

00:12:17,700 --> 00:12:18,090

Yes.

304

00:12:18,120 --> 00:12:20,130

Sarah Foss: And he also knew the correct response in final.

305

00:12:20,130 --> 00:12:21,330

He was the only one who did.

306

00:12:21,780 --> 00:12:25,680

But as we know, Nicole had already sealed the deal with a runaway

307

00:12:25,770 --> 00:12:29,550

Buzzy Cohen: Nicole wins and goes into Tuesday as the returning champion

308

00:12:29,550 --> 00:12:32,190

up against Lisa Shreen and Mara

309

00:12:32,280 --> 00:12:33,060

Sarah Foss: Lasko.

310

00:12:33,090 --> 00:12:33,360

Yeah.

311

00:12:33,360 --> 00:12:35,880

People loving Lisa from the very beginning.

312

00:12:35,910 --> 00:12:40,080

You know, she's getting a lot of love sometimes for her facial expressions.

313

00:12:40,080 --> 00:12:44,130

I gotta say, even her interview, she won me over, she talked about placing third

314

00:12:44,130 --> 00:12:48,030

place in a Ho Oaks music video contest.

315

00:12:48,330 --> 00:12:51,120

You know, she said she learned about being famous, having hat.

316

00:12:51,495 --> 00:12:54,825  
She received a lot of comments that she looks nothing like John

317

00:12:54,825 --> 00:12:56,655  
Oats, which she said is false.

318

00:12:57,255 --> 00:13:00,075  
Gotta love her comedy in the jeopardy round.

319

00:13:00,075 --> 00:13:03,015  
Once again, Nicole had a small lead as that came to an end.

320

00:13:03,465 --> 00:13:05,805  
Buzzy Cohen: Yeah, and it was a low scoring double jeopardy

321

00:13:05,810 --> 00:13:07,095  
round, which was interesting.

322

00:13:07,100 --> 00:13:09,675  
Everyone under 10,000 at the end of the round.

323

00:13:10,250 --> 00:13:12,920  
Nicole did have a lead, not a runaway.

324

00:13:13,040 --> 00:13:13,490  
Our champion,

325

00:13:13,490 --> 00:13:16,219  
Sarah Foss: Nicole, unable to come up with the correct response in final.

326

00:13:16,219 --> 00:13:21,229  
So Lisa goes from second place, nearly doubling up for a come from behind win.

327

00:13:21,680 --> 00:13:25,969  
Ken closes a show by saying from  
third place in a Ho OS contest

328

00:13:25,969 --> 00:13:27,410  
to first place on jeopardy.

329

00:13:27,975 --> 00:13:28,665  
Buzzy Cohen: What a journey.

330

00:13:28,785 --> 00:13:32,665  
I did enjoy the Please clap addition  
to the final Jeopardy response.

331

00:13:32,665 --> 00:13:32,825  
Yes.

332

00:13:32,825 --> 00:13:33,145  
Yes.

333

00:13:33,145 --> 00:13:35,475  
Sarah Foss: She wanted to please clap  
because she wasn't confident that she

334

00:13:35,475 --> 00:13:36,645  
was gonna have the correct response.

335

00:13:36,650 --> 00:13:40,155  
And then Ken jokes, you know, you thought  
it was wrong, so when you were right,

336

00:13:40,155 --> 00:13:41,415  
it just looked like you were gloating.

337

00:13:41,535 --> 00:13:42,525  
Like, Hey, that's right.

338

00:13:42,615 --> 00:13:43,305  
Please clap.

339

00:13:43,310 --> 00:13:44,775

I got the correct response.

340

00:13:45,405 --> 00:13:45,765

All right.

341

00:13:45,770 --> 00:13:50,625

Well, Lisa moves on to Wednesday to  
face Jordan Davis and Iris Masucci.

342

00:13:51,255 --> 00:13:51,585

Buzzy Cohen: All right.

343

00:13:51,585 --> 00:13:55,605

Well now Lisa's facial  
expressions have really gone onto.

344

00:13:56,520 --> 00:13:59,380

A mind of their own on social media.

345

00:13:59,620 --> 00:14:00,219

I get it.

346

00:14:00,339 --> 00:14:00,430

You.

347

00:14:01,155 --> 00:14:03,255

She's, she's wearing  
her heart on her sleeve.

348

00:14:03,255 --> 00:14:03,585

Yes.

349

00:14:03,705 --> 00:14:04,295

Or her face

350

00:14:04,295 --> 00:14:05,655

Sarah Foss: and all the faces that match.

351

00:14:05,655 --> 00:14:06,285

But you know what?

352

00:14:06,405 --> 00:14:08,445  
Her gameplay is matching  
up with those faces.

353  
00:14:08,445 --> 00:14:12,075  
She racked up 13 correct responses  
in the Jeopardy round, but Jordan

354  
00:14:12,080 --> 00:14:13,975  
and Iris, they both went in there.

355  
00:14:13,980 --> 00:14:14,205  
Yeah.

356  
00:14:14,210 --> 00:14:14,655  
Perfect.

357  
00:14:14,655 --> 00:14:16,215  
Eight for eight in their responses.

358  
00:14:16,485 --> 00:14:18,015  
Pretty level round overall.

359  
00:14:18,015 --> 00:14:21,795  
Now in this interview, Lisa tells  
us how she had recently left her job

360  
00:14:21,795 --> 00:14:25,335  
and she joked that she was having a  
midlife crisis looking for a next job.

361  
00:14:25,695 --> 00:14:29,595  
She recently found out that she could  
throw things really far, so obvious.

362  
00:14:30,655 --> 00:14:32,125  
NFL quarterback next season.

363  
00:14:32,275 --> 00:14:32,574  
Wow.

364  
00:14:32,574 --> 00:14:35,545

Buzzy Cohen: Well, I also want to talk about Jordan's interview, talking

365

00:14:35,545 --> 00:14:37,584  
about being a huge Disneyland fan.

366

00:14:37,704 --> 00:14:41,185  
We, obviously, we are,  
are huge Disneyland fans.

367

00:14:41,334 --> 00:14:44,214  
Uh, Jordan has a podcast  
Disneyland forever.

368

00:14:44,454 --> 00:14:47,454  
Um, I have, I mean, I think we've  
talked about this on the pod.

369

00:14:47,454 --> 00:14:49,895  
I actually went to Disneyland with Ken.

370

00:14:50,505 --> 00:14:51,615  
Kind of a boys trip.

371

00:14:51,675 --> 00:14:51,855  
Yes.

372

00:14:51,855 --> 00:14:52,485  
To Disneyland.

373

00:14:52,515 --> 00:14:53,895  
I remember I wasn't invited.

374

00:14:53,965 --> 00:14:54,825  
Very, very normal.

375

00:14:54,915 --> 00:14:56,295  
I don't think I could have invited you.

376

00:14:56,295 --> 00:14:59,505  
I think I was still  
ineligible all stars, right?

377

00:14:59,565 --> 00:15:01,305  
No, it was right after goat taped.

378

00:15:01,305 --> 00:15:03,585  
It was between goat  
taping and goat airing.

379

00:15:03,585 --> 00:15:04,665  
So I was still eligible.

380

00:15:04,665 --> 00:15:06,375  
We weren't allowed to be friends yet.

381

00:15:06,435 --> 00:15:11,175  
Well, it sounds like Sarah, we have an  
open invitation to be on their podcast.

382

00:15:11,205 --> 00:15:14,125  
I got, uh, tagged in a post that Jordan.

383

00:15:14,375 --> 00:15:17,915  
Uh, wrote about his experience on  
the show, which you'll hear more

384

00:15:17,915 --> 00:15:20,885  
about in a second, but he said on  
a final note to any Jeopardy peeps,

385

00:15:20,885 --> 00:15:24,605  
including Sarah and Buzzy, because  
yes, I always catch inside Jeopardy.

386

00:15:24,635 --> 00:15:25,295  
We love you for that.

387

00:15:25,435 --> 00:15:26,765  
Oh, thank you Jordan.

388

00:15:26,765 --> 00:15:29,015  
We left an open invitation  
regarding Disneyland to all of

389

00:15:29,015 --> 00:15:30,575  
you on our podcast this week.

390

00:15:31,170 --> 00:15:33,450  
So I want to go to Disneyland with Jordan.

391

00:15:33,480 --> 00:15:34,890  
I also want to go on their podcast.

392

00:15:34,890 --> 00:15:36,210  
You know, we're, we're diehard.

393

00:15:36,210 --> 00:15:37,440  
I think it would be great.

394

00:15:37,590 --> 00:15:39,960  
We should break down, like yes, how we do

395

00:15:39,960 --> 00:15:41,850  
Sarah Foss: our days,  
how we approach a day.

396

00:15:41,850 --> 00:15:45,920  
Favorite foods, favorite rides,  
favorite place to relax all of.

397

00:15:45,925 --> 00:15:46,500  
So Jordan,

398

00:15:46,530 --> 00:15:46,920  
Buzzy Cohen: uh, Jordan.

399

00:15:47,340 --> 00:15:47,910  
We're here for it.

400

00:15:47,910 --> 00:15:48,630  
Good stuff we're gonna do.

401

00:15:48,630 --> 00:15:49,790  
I'm, I'm ready to do it.

402

00:15:49,790 --> 00:15:50,510

Are you ready to do it?

403

00:15:50,510 --> 00:15:50,831

All right, I'm ready.

404

00:15:50,880 --> 00:15:51,240

Sarah Foss: Okay.

405

00:15:51,270 --> 00:15:53,130

Let's dive deep into Disneyland.

406

00:15:53,130 --> 00:15:54,840

And that brings us to double jeopardy.

407

00:15:55,110 --> 00:15:56,880

All right, we'll dive  
deep into that for now.

408

00:15:57,090 --> 00:16:01,470

Lisa and Iris continued to battle it  
out, both hitting big daily doubles.

409

00:16:01,500 --> 00:16:04,050

Lisa, ending up on top, going into final.

410

00:16:04,080 --> 00:16:05,100

Everyone was incorrect.

411

00:16:05,100 --> 00:16:05,310

Everyone.

412

00:16:05,315 --> 00:16:09,930

Lisa's response, I had to love  
who is goodbye cruel world.

413

00:16:10,290 --> 00:16:14,220

Uh, once again, she just brought  
the comedy and interesting.

414

00:16:14,220 --> 00:16:14,470  
She reminds me of.

415  
00:16:14,995 --> 00:16:17,665  
Yes, you had some of  
those responses yourself.

416  
00:16:17,665 --> 00:16:18,235  
Yes.

417  
00:16:18,385 --> 00:16:21,954  
Maybe she took the Buzzy Cohen  
handbook for how to respond in final

418  
00:16:21,954 --> 00:16:24,385  
when you don't know the response,  
or you just wanna be comedic.

419  
00:16:24,865 --> 00:16:28,885  
But an interesting wager, you know,  
she wagered an amount that if she was

420  
00:16:28,890 --> 00:16:31,074  
incorrect, she would have \$1 less.

421  
00:16:31,710 --> 00:16:34,290  
Then second place's current score.

422  
00:16:34,290 --> 00:16:37,320  
I think she might have  
meant to do \$1 more.

423  
00:16:37,800 --> 00:16:40,380  
Thankfully, it didn't  
really end up mattering.

424  
00:16:40,800 --> 00:16:46,230  
Ken ended the show by saying Lisa will  
be saying hello to us again tomorrow in

425  
00:16:46,235 --> 00:16:51,120  
response to her who is Cruel World, you  
know the Postgame chat she talked about

426  
00:16:51,125 --> 00:16:55,590  
like, She needs to lose her next game  
because she has no more stories to tell.

427  
00:16:55,830 --> 00:16:57,000  
And then we head into Thursday.

428  
00:16:57,060 --> 00:16:57,300  
Yep.

429  
00:16:57,420 --> 00:16:57,600  
Uh,

430  
00:16:57,600 --> 00:17:01,440  
Buzzy Cohen: Lisa is up against  
Jacob Lang and Sharon Stone.

431  
00:17:01,820 --> 00:17:02,240  
Wow.

432  
00:17:02,240 --> 00:17:02,920  
Not that Sharon

433  
00:17:02,920 --> 00:17:05,700  
Sarah Foss: Stone, not that Sharon  
Stone, but you had to think about it.

434  
00:17:05,970 --> 00:17:07,800  
So this was our Jeopardy game.

435  
00:17:07,805 --> 00:17:12,660  
And in the jeopardy round, Sharon Jacob,  
neck and neck, ending the round just \$800

436  
00:17:12,660 --> 00:17:15,160  
apart, Sharon Stone told us in her, I.

437  
00:17:15,629 --> 00:17:18,719  
That she has a sister, Kathy,  
who is also a contestant on

438

00:17:18,719 --> 00:17:20,189  
Jeopardy and she came in third.

439

00:17:20,189 --> 00:17:24,359  
So Sharon says they're both pretty  
competitive and she's hoping that someone

440

00:17:24,359 --> 00:17:28,020  
else rolls over and at least lets her  
have second place so that she could

441

00:17:28,020 --> 00:17:30,270  
have, you know, bragging rights at home.

442

00:17:30,750 --> 00:17:33,074  
Buzzy Cohen: Well, uh, the double  
jeopardy round, she does not need anyone

443

00:17:33,360 --> 00:17:35,580  
to roll over cuz she really took off.

444

00:17:36,015 --> 00:17:37,665  
12 correct responses.

445

00:17:38,085 --> 00:17:40,605  
A 2000 and \$4,000, correct.

446

00:17:40,695 --> 00:17:45,645  
Daily double leave, Sharon,  
with a runaway score at \$18,000.

447

00:17:45,675 --> 00:17:45,915  
Sarah Foss: Yeah.

448

00:17:45,915 --> 00:17:50,295  
Lisa wasn't able to compete in  
final, but she sure brought us a

449

00:17:50,295 --> 00:17:51,975  
lot of joy within her two wins.

450

00:17:51,975 --> 00:17:54,765  
We know that she'll be back  
in Champions Wild card.

451  
00:17:55,245 --> 00:17:57,285  
She said in her post-game chat.

452  
00:17:57,435 --> 00:18:01,785  
This is, I quote, the chatting  
was a little excruciating.

453  
00:18:02,025 --> 00:18:04,335  
So I don't mind being done.

454  
00:18:05,745 --> 00:18:07,755  
And you know, a lot of our  
contestants feel this way.

455  
00:18:07,755 --> 00:18:10,545  
Like, let me play the game,  
don't make me do the interview.

456  
00:18:11,125 --> 00:18:14,535  
Apparently Lisa felt that very  
strongly, uh, but she sure

457  
00:18:14,535 --> 00:18:15,765  
was a lot of fun to watch.

458  
00:18:15,825 --> 00:18:17,055  
And then Ken Ash, Sharon.

459  
00:18:17,435 --> 00:18:20,885  
You know, so how many wins will it take  
for your sister to start getting annoyed?

460  
00:18:20,885 --> 00:18:22,534  
And she said, oh, just probably one.

461  
00:18:22,595 --> 00:18:25,504  
And then he said, well, maybe we  
can have you both on some sort of

462  
00:18:25,595 --> 00:18:26,705  
Buzzy Cohen: siblings reunion.

463  
00:18:26,735 --> 00:18:27,245  
Yeah.

464  
00:18:27,335 --> 00:18:31,804  
I, you know, I find it interesting that  
Lisa found the chat part annoying, but I.

465  
00:18:32,550 --> 00:18:35,430  
I will admit, and this is probably  
not a popular opinion, okay.

466  
00:18:35,430 --> 00:18:37,379  
It's not my favorite  
part of the show, really?

467  
00:18:37,560 --> 00:18:37,980  
Yeah.

468  
00:18:38,160 --> 00:18:39,030  
What do you think, Sarah?

469  
00:18:39,300 --> 00:18:43,860  
Sarah Foss: You know, I, I know this  
is a comment people often make, but

470  
00:18:44,040 --> 00:18:47,220  
I think it just allows you sometimes  
to connect with those contestants.

471  
00:18:47,220 --> 00:18:49,860  
Maybe not every interview, but you  
never know when you're gonna get an

472  
00:18:49,860 --> 00:18:51,210  
interview like Martha Bath, right.

473  
00:18:51,210 --> 00:18:54,371  
And talking about, you know,  
competing with Art Fleming in

474  
00:18:54,376 --> 00:18:58,260  
the seventies, going home with  
encyclopedias and a handful of dollars.

475  
00:18:59,040 --> 00:18:59,610  
I love those

476  
00:18:59,610 --> 00:19:00,330  
Buzzy Cohen: kind of stories.

477  
00:19:00,330 --> 00:19:03,360  
I get it, and it is fun and it's  
great to get to know the contestants.

478  
00:19:03,450 --> 00:19:04,010  
It just.

479  
00:19:04,675 --> 00:19:06,824  
I don't know, there's something,  
it, it breaks up the game a

480  
00:19:06,824 --> 00:19:07,814  
little bit and maybe that's good.

481  
00:19:07,814 --> 00:19:10,514  
Maybe it allows some contestants  
a break to get back into it.

482  
00:19:10,995 --> 00:19:14,895  
Um, I also really enjoy the fake  
Jeopardy Stories Twitter account.

483  
00:19:14,895 --> 00:19:18,285  
I don't know if I'm allowed to say that  
on Inside Jeopardy, but No, it's good.

484  
00:19:18,314 --> 00:19:19,364  
Very, very funny.

485  
00:19:19,395 --> 00:19:19,814  
It's good.

486

00:19:19,814 --> 00:19:22,635  
Sarah Foss: And remember, you know,  
jeopardy is a dinnertime show for

487

00:19:22,635 --> 00:19:25,935  
a lot of people, so you gotta get a  
chance to take in a couple bites of

488

00:19:25,935 --> 00:19:26,354  
Buzzy Cohen: food.

489

00:19:26,445 --> 00:19:26,834  
Totally.

490

00:19:26,834 --> 00:19:29,294  
Well, and also I wonder, you  
know, if you're competing, you

491

00:19:29,294 --> 00:19:30,824  
know, here's what I'm gonna say.

492

00:19:30,824 --> 00:19:31,514  
Here's what I'm gonna say.

493

00:19:32,115 --> 00:19:35,025  
It is, it definitely feels like  
it's a little bit of a relic

494

00:19:35,055 --> 00:19:37,665  
of a bygone game show era.

495

00:19:37,755 --> 00:19:38,265  
Yes.

496

00:19:38,655 --> 00:19:42,345  
And does it fit in with the  
Michael Davies's jeopardy as

497

00:19:42,565 --> 00:19:44,415  
a sport ethos is my question.

498

00:19:44,415 --> 00:19:46,785

I mean, you don't stop a, so you  
don't like in the middle of a

499

00:19:46,785 --> 00:19:50,385

soccer game, interview the players  
and ask them like, you know, what

500

00:19:50,385 --> 00:19:51,975

their favorite pizza topping.

501

00:19:52,650 --> 00:19:53,340

I get that,

502

00:19:53,550 --> 00:19:55,080

Sarah Foss: but I, I love nostalgia.

503

00:19:55,370 --> 00:19:59,160

I think there's something to be said  
for keeping some things the same.

504

00:19:59,190 --> 00:20:00,660

Not that's the glory of Jeopardy.

505

00:20:00,740 --> 00:20:02,250

I'm not, I'm not SIG 61.

506

00:20:02,250 --> 00:20:05,610

Clues and responses and  
a little anecdote in

507

00:20:05,610 --> 00:20:06,000

Buzzy Cohen: between.

508

00:20:06,060 --> 00:20:08,130

I'm not suggesting we get rid of it.

509

00:20:08,130 --> 00:20:10,950

I also think maybe we  
make the anecdotes wilder.

510

00:20:10,950 --> 00:20:11,910  
Like we watch that.

511  
00:20:11,940 --> 00:20:16,410  
I think it's in the pilot episode where  
someone talks about how they demonstrate

512  
00:20:16,410 --> 00:20:18,270  
science to kids or whatever, how it works.

513  
00:20:18,275 --> 00:20:18,340  
Yes.

514  
00:20:18,340 --> 00:20:19,260  
And he pulled out a.

515  
00:20:19,754 --> 00:20:20,925  
Sarah Foss: Yeah, I want a prop.

516  
00:20:20,925 --> 00:20:24,195  
Intestines will be  
bringing props if Buzzy has

517  
00:20:24,195 --> 00:20:25,574  
Buzzy Cohen: his, uh, I  
don't know what I'm saying.

518  
00:20:25,574 --> 00:20:28,185  
The point is, He's relating to you.

519  
00:20:28,195 --> 00:20:29,155  
I'm, I'm relating to Lisa.

520  
00:20:29,160 --> 00:20:29,265  
Lisa.

521  
00:20:29,265 --> 00:20:30,525  
This was a long way around.

522  
00:20:30,525 --> 00:20:33,715  
It really was for, Alexa is gonna have to  
edit this down to something meaningful.

523

00:20:33,785 --> 00:20:34,275

Okay.

524

00:20:34,275 --> 00:20:34,955

Sarah Foss: Well guess what?

525

00:20:34,960 --> 00:20:35,265

We made it

526

00:20:35,515 --> 00:20:35,835

Buzzy Cohen: to Friday.

527

00:20:36,225 --> 00:20:40,125

We have Sharon Stone relying on  
her basic instincts against fellow

528

00:20:40,125 --> 00:20:42,795

competitors, Britney Shaw and Jen Petro

529

00:20:42,800 --> 00:20:43,095

Sarah Foss: Roy.

530

00:20:43,275 --> 00:20:44,205

I see what you did there.

531

00:20:44,210 --> 00:20:44,275

Yeah.

532

00:20:44,655 --> 00:20:45,015

All right.

533

00:20:45,015 --> 00:20:46,635

Well then the jeopardy round, Sharon and.

534

00:20:47,179 --> 00:20:50,120

Ended it just \$1,000 apart.

535

00:20:50,120 --> 00:20:52,129

In the interview, we hear from Britney.

536

00:20:52,129 --> 00:20:55,070  
She may have been in the negative  
at the point where she told this

537

00:20:55,070 --> 00:20:56,840  
story, but it was a positive for me.

538

00:20:56,899 --> 00:20:59,330  
Yeah, these are the kind of  
stories we would lose totally.

539

00:20:59,330 --> 00:21:03,800  
She named her rescue Cat Simba,  
but without the eye because

540

00:21:03,800 --> 00:21:06,020  
the cat is missing an eye.

541

00:21:06,254 --> 00:21:08,235  
Buzzy Cohen: Uh, that's a  
very jeopardy contestant.

542

00:21:08,745 --> 00:21:09,585  
And then you can ask anecdote.

543

00:21:09,585 --> 00:21:10,065  
I like it.

544

00:21:10,125 --> 00:21:10,395  
Sarah Foss: Yeah.

545

00:21:10,395 --> 00:21:14,235  
If Simba watches Jeopardy and  
Britney joked, ah, half of it.

546

00:21:15,675 --> 00:21:15,915  
That's

547

00:21:15,915 --> 00:21:16,125  
Buzzy Cohen: good.

548

00:21:16,155 --> 00:21:16,545  
Okay.

549  
00:21:16,545 --> 00:21:18,075  
Britney, you do not  
wanna miss out on these.

550  
00:21:18,245 --> 00:21:19,365  
I would miss out on that.

551  
00:21:19,425 --> 00:21:20,775  
There's nothing funnier than comedy.

552  
00:21:20,775 --> 00:21:24,045  
I always say, well, in double jeopardy,  
Britney climbed out of the hole.

553  
00:21:24,165 --> 00:21:25,754  
Uh, ended the round in second place.

554  
00:21:25,754 --> 00:21:31,375  
But Sharon with another runaway,  
15,500 thanks to that \$2,500.

555  
00:21:31,620 --> 00:21:32,100  
Daily,

556  
00:21:32,100 --> 00:21:32,520  
Sarah Foss: double.

557  
00:21:32,520 --> 00:21:38,100  
Well in final, Sharon was the only one who  
was correct tacking on another \$1,100 to

558  
00:21:38,100 --> 00:21:42,300  
her score, but she didn't need anything  
cuz it was a runaway, her second in

559  
00:21:42,300 --> 00:21:44,370  
a row and a nice trend we have going.

560  
00:21:44,375 --> 00:21:44,500

Mm-hmm.

561

00:21:44,580 --> 00:21:44,979  
I have to say.

562

00:21:44,979 --> 00:21:45,219  
Mm-hmm.

563

00:21:45,300 --> 00:21:47,159  
She's our fourth female champion.

564

00:21:47,159 --> 00:21:49,800  
We had Tamara, then we had  
Nicole, then we had Lisa.

565

00:21:49,800 --> 00:21:50,850  
Now we have Sharon.

566

00:21:51,270 --> 00:21:55,350  
You know, she revealed in the  
post-game chat there's a third sibling.

567

00:21:55,940 --> 00:21:59,150  
And the third sibling, she said is  
probably the smartest one of all,

568

00:21:59,150 --> 00:22:01,500  
but she's not yet tried out, so Wow.

569

00:22:01,670 --> 00:22:05,420  
Ken said, tell her from me she  
should try out and I look forward

570

00:22:05,420 --> 00:22:06,320  
to meeting the whole family.

571

00:22:06,320 --> 00:22:06,980  
How about that?

572

00:22:07,310 --> 00:22:09,020  
Well, three siblings, that is incredible.

573

00:22:09,020 --> 00:22:09,800  
Who could possibly be on

574

00:22:09,800 --> 00:22:11,930  
Buzzy Cohen: Jeopardy that, I mean,  
sibling tournament in the Macon.

575

00:22:11,935 --> 00:22:12,890  
We also had Ray.

576

00:22:13,070 --> 00:22:16,760  
Ray Leland has an I identical twin  
who's trying out for the show.

577

00:22:16,760 --> 00:22:17,090  
So,

578

00:22:17,180 --> 00:22:18,680  
Sarah Foss: and I think  
we have another identical

579

00:22:18,680 --> 00:22:19,340  
Buzzy Cohen: twin coming up.

580

00:22:19,340 --> 00:22:20,780  
So, and there were the sisters and the.

581

00:22:21,990 --> 00:22:22,560  
Sarah Foss: Yes.

582

00:22:22,590 --> 00:22:23,969  
Not identical twins, not I, yes.

583

00:22:23,969 --> 00:22:24,300  
Yeah.

584

00:22:24,570 --> 00:22:26,520  
And then we had a father and child.

585

00:22:26,580 --> 00:22:28,949  
I mean, it's, it's cool

when it's all in the family.

586

00:22:28,949 --> 00:22:29,370  
I love it.

587

00:22:29,429 --> 00:22:29,699  
Yeah.

588

00:22:29,705 --> 00:22:29,719  
Yeah.

589

00:22:29,790 --> 00:22:30,540  
What about your kids?

590

00:22:30,544 --> 00:22:31,530  
Are they gonna be, uh, jeopardy

591

00:22:31,530 --> 00:22:31,830  
Buzzy Cohen: champions?

592

00:22:31,834 --> 00:22:35,159  
I don't, uh, well, one of them  
really wants to go on the show.

593

00:22:35,165 --> 00:22:36,419  
I don't know if my.

594

00:22:37,425 --> 00:22:41,175  
Uh, involvement in this  
podcast makes them ineligible.

595

00:22:41,235 --> 00:22:41,895  
Well, they're young.

596

00:22:41,895 --> 00:22:42,645  
They have time.

597

00:22:42,675 --> 00:22:43,485  
Yes, they have time.

598

00:22:43,485 --> 00:22:46,544

Maybe I'll be dead or I  
will be fired by then.

599

00:22:46,695 --> 00:22:47,324  
How about you, Sarah?

600

00:22:47,324 --> 00:22:49,215  
Is it a family affair  
over there, the jeopardy?

601

00:22:49,274 --> 00:22:52,485  
Sarah Foss: Well, you know, they know  
that I, uh, fill in for Johnny as, as

602

00:22:52,485 --> 00:22:55,544  
fake Johnny, and so they think that  
being the announcer would be cool.

603

00:22:55,604 --> 00:22:56,685  
They like to practice there.

604

00:22:56,685 --> 00:22:57,915  
This is Jeopardy.

605

00:22:58,304 --> 00:23:00,495  
Um, I don't know that they  
wanna be a contestant.

606

00:23:00,495 --> 00:23:03,135  
I feel like they wanna host  
and announce, you know, that's

607

00:23:03,135 --> 00:23:05,415  
kind of online with, with them.

608

00:23:06,270 --> 00:23:09,000  
Again, they might be, uh, ineligible.

609

00:23:09,050 --> 00:23:10,050  
Ineligible, ineligible.

610

00:23:10,050 --> 00:23:11,280

Well, we'll

611

00:23:11,285 --> 00:23:11,910

Buzzy Cohen: have to wait and see.

612

00:23:11,970 --> 00:23:13,230

We will have to wait and see.

613

00:23:13,230 --> 00:23:14,160

Well, there you have it.

614

00:23:14,310 --> 00:23:15,720

What a fun week of games.

615

00:23:15,780 --> 00:23:18,840

Sharon Stone gets to spend the weekend as the Jeopardy champion

616

00:23:18,840 --> 00:23:20,010

after two impressive wins.

617

00:23:20,280 --> 00:23:25,800

We're gonna see if she continues to have total recall of this trivia.

618

00:23:26,250 --> 00:23:28,350

But now it's time for viewer question.

619

00:23:33,630 --> 00:23:38,640

Derek asks, I've taken the any time test as a most fitting way to mark Jeopardy.

620

00:23:38,640 --> 00:23:39,630

Thank you, Derek.

621

00:23:40,140 --> 00:23:43,500

My last test before that was on May 21st of last year.

622

00:23:43,505 --> 00:23:46,570

My question is whether my test anniversary, my anniversary

623

00:23:46,570 --> 00:23:47,760

Sarah Foss: anniversary, yeah.

624

00:23:48,360 --> 00:23:48,660

Buzzy Cohen: What he did.

625

00:23:48,660 --> 00:23:49,650

I had a hard time reading that.

626

00:23:49,980 --> 00:23:52,710

My anniversary now resets to March 30.

627

00:23:53,065 --> 00:23:55,225

Or if May 21st is still in play.

628

00:23:55,225 --> 00:23:56,125

Thank you very much.

629

00:23:56,125 --> 00:23:56,695

Derek, this is a

630

00:23:56,695 --> 00:23:59,305

Sarah Foss: great question because all of you that just took the test last week

631

00:23:59,305 --> 00:24:00,925

are probably wondering the same thing.

632

00:24:00,955 --> 00:24:01,375

Yes.

633

00:24:01,405 --> 00:24:06,940

Your anniversary is now reset, so for anyone who took the test on March

634

00:24:06,940 --> 00:24:08,845

30th, you will now have to wait.

635

00:24:08,980 --> 00:24:11,590

One year from that day to take it again.

636

00:24:11,620 --> 00:24:12,790

Buzzy Cohen: Thank you  
for the question, Derek.

637

00:24:12,790 --> 00:24:16,870

Sam asks, I loved the  
Retro J episode so much.

638

00:24:16,870 --> 00:24:18,760

Do you have plans to release more archive

639

00:24:18,760 --> 00:24:19,360

Sarah Foss: footage?

640

00:24:19,510 --> 00:24:21,910

Yeah, so Sam is referencing  
that on Jeopardy.

641

00:24:21,910 --> 00:24:26,080

We also did a YouTube viewing  
of Alex's first episode in 1984.

642

00:24:27,250 --> 00:24:31,150

Of course, last year on Jeffer  
Day we did Art Fleming's pilot

643

00:24:31,150 --> 00:24:33,820

episode that never was aired.

644

00:24:34,264 --> 00:24:38,615

And these are a lot of fun for us, so I  
think you can definitely expect to see

645

00:24:38,615 --> 00:24:41,105

another one on next year's jeopardy.

646

00:24:41,135 --> 00:24:46,054

We're celebrating the 60th birthday, so  
we've already started thinking about a

647

00:24:46,060 --> 00:24:48,885

very special never before scene episode.

648

00:24:49,544 --> 00:24:52,995

That we are going to view together,  
but you're gonna have to wait

649

00:24:52,995 --> 00:24:54,554

almost a year for that one, Sam.

650

00:24:54,554 --> 00:24:55,544

So stay tuned.

651

00:24:55,815 --> 00:24:56,024

Well,

652

00:24:56,024 --> 00:24:58,125

Buzzy Cohen: and also we have  
those kind of classic episodes

653

00:24:58,125 --> 00:24:59,955

that are airing on Pluto tv.

654

00:24:59,955 --> 00:25:00,675

That is correct.

655

00:25:00,675 --> 00:25:01,754

Aren't quite retro,

656

00:25:01,754 --> 00:25:04,745

Sarah Foss: but, but there's some buzzy  
ones I've heard are some buzzy ones.

657

00:25:04,745 --> 00:25:08,345

So people are happy cuz if you  
missed Buzzy the first time around.

658

00:25:08,720 --> 00:25:10,730

Go to Pluto TV cuz you can catch them.

659

00:25:10,820 --> 00:25:13,550

Buzzy Cohen: All right, that brings  
us to the end of today's episode.

660  
00:25:13,640 --> 00:25:17,510  
As always, we will be back next  
Monday for more gameplay discussion.

661  
00:25:17,630 --> 00:25:21,350  
Will Sharon Stone win  
this time at the casino?

662  
00:25:22,095 --> 00:25:25,545  
Or will she be among the  
quick and the dead as we like

663  
00:25:25,545 --> 00:25:27,465  
to call the Jeopardy losers?

664  
00:25:27,645 --> 00:25:31,035  
Sarah Foss: Well, uh, Sharon Stone,  
we'll have to see if she can secure that

665  
00:25:31,035 --> 00:25:35,565  
third win and if Buzzy can have another  
round of Sharon Stone movie references.

666  
00:25:35,835 --> 00:25:38,745  
I don't know which part of seeing  
her run continue is more exciting.

667  
00:25:38,745 --> 00:25:41,415  
But please, as always,
