**Latest Iteration of America's Favorite Quiz Show®, Featuring Host Alex Trebek, Allows Gamers of all Levels to Compete with Opponents Around the World in an Immersive, Multiplayer Mobile Experience**

**CULVER CITY, Calif. (May 18, 2017)** – Sony Pictures Television Networks Games today announced their latest free-to-play mobile game, *Jeopardy! World Tour*, now available for download on iOS and Android. In this free-to-play mobile version of the Emmy®-winning quiz show developed by leading game studio Uken Games, players can immerse themselves in the ultimate game of smarts, test their knowledge with clues from the show, level up to play in some of the world's most exciting destinations, and ultimately earn bragging rights as a *Jeopardy! World Tour* champion!

In *Jeopardy! World Tour*, the game play and win streaks are exciting, with an opportunity to level up and unlock themed content in cities such as Paris, Rome, Beijing, London, Los Angeles and more! Players can compete with opponents around the world, or challenge their own friends in a heated head-to-head match.

*Jeopardy! World Tour* offers hundreds of thousands of clues in a wide range of categories and allows players to compete against other members of the global “Jeopardy!” community, boost their scores, and rise to the top of the leaderboards.

“Jeopardy!’ fans are always looking for more ways to play our game,” said ‘Jeopardy!’ host Alex Trebek. “I know they will be very happy with this new mobile game that connects them with other ‘Jeopardy!’ fans everywhere.”

“The passionate and engaged ‘Jeopardy!’ audience will find so much to love in this new mobile edition of the show,” noted Harry Friedman, executive producer of “Jeopardy!” “With essential elements like Double Jeopardy! and Final Jeopardy!, the mood and tone of the game will feel genuine, but completely reimagined for the mobile audience.”

“*Jeopardy! World Tour* stands on the shoulders of a show that's been successful for 33 years,”

said Geremie Camara, Vice President, Sony Pictures Television Networks Games. “We unpacked the essence of a timeless franchise and created a familiar surprise that will engage ‘Jeopardy!’ fans and mobile gamers alike.”

*Jeopardy! World Tour* was developed by Sony Pictures Television Networks Games, an award-winning, world-class mobile games publisher recognized for its premier games, including *Jeopardy! Skill* on Amazon Echo, *Wheel of Fortune PUZZLE POP!* with Vanna White and *Smurfs Bubble Story*, a bubble-popping mobile game inspired by the animated film from Sony Pictures Animation, *Smurfs: The Lost Village*.
